Dear Members,

SportsTG Training Sessions with Taylor Crotty and Miranda Frisken

Baseball Victoria in conjunction with Baseball Australia are holding a series of free workshops at MSAC's Sports House in Albert Park to train the clubs in the correct way to use the SportsTG registration platform. A number of clubs have expressed confusion with the system and have had difficulty registering their players. Baseball Victoria are aware of these issues and are working with SportsTG to fix them.

In the meantime, BV would like to invite representative members from each club to attend one of three training sessions being run by BV Events Manager, Taylor Crotty and BA's Membership, Database Management and Sporting School's Coordinator, Miranda Frisken. The training sessions will address the registration process, as well as which fees apply to different types of players. Attendees are encouraged to bring their personal device (laptop, tablet, etc) so that they are able to follow along. There will also be time for attendees to seek advice with processing their own registration or those of a club member and a step by step guide to putting individual club fees on the SportsTG platform.

Things to note;

- You must be registered with Baseball Victoria to attend the training
- Ensure all those at your club who need to attend training do attend
- Maximum of 20 people per training session (first in best dressed)
- Each training session will be the same, you do not need to attend all three to cover understand how the platform functions.
