President's Report

Baseball Victoria in 2012/2013 faced a year of challenge and change but also great opportunity in meeting the needs of our members.

At an administrative level, Brett Hidson resigned as Chief Executive Officer after three years in the role. I would like to thank Brett for his efforts in managing the transition to a unified organisation as well as leading Baseball Victoria's efforts in delivering the Facilities Development Plan and Participation Research Project as funded through the SRV Future Direction Project.

In seeking Brett's replacement, Baseball Victoria undertook an extensive executive search seeking candidates with a strong managerial, stakeholder management and sports background. In July, Neale Price commenced as Chief Executive Officer. Neale brings to the position proven sports administrative skills, following senior management roles at Cricket Victoria and Cricket Australia, together with a solid baseball background.

I would like to wish Neale every success as he leads Baseball Victoria over the coming years.

At Board level, Fiona McNabb, an inaugural member of the Baseball Victoria Board resigned her Directorship. Fiona has made a significant contribution in assisting the administration within her Finance portfolio over the past 5 years. Replacing Fiona, the Board is pleased to present Myles Foreman for ratification by the members at the Annual General Meeting. Myles has over twenty years' experience in senior executive roles in the Sports, Entertainment and Hospitality industries and will manage the Member Services portfolio along with the role of Company Secretary.

Participation in our community competitions continued to grow and I would like to acknowledge the Association Presidents, Rod McDonald (Ballarat), Michael Amos (Bendigo), Leslie Pimm (DBA), Barry Mills (GBA), John Kus (LVBA), Peter Dihm (MWBL), Daniel Blanchard (Secretary, NEBA), Luke Gathercole (Sunraysia) their Committees along with Club Presidents for their continued efforts in building the grassroots foundation that is our sport.

In helping drive participation in all aspects of the baseball community, Baseball Victoria released the findings of the Participation Research Report. Undertaken over several months and involving a broad cross section of the baseball community, the findings provide members with a valuable insight into the characteristics, motivation, opportunities and challenges of participants, supporters and volunteers. This report will help guide future planning to ensure Baseball Victoria meets the needs of its constituency.

Finally from a planning perspective Baseball Victoria Summits were held in Bendigo and Ballarat as a key forum for our member bodies. The summit provided the opportunity for discussion and planning on how to best address the challenges facing our sport including coaching accreditation, umpire recruitment, the judiciary system and the leanings from the participation study. The opportunity to assemble and hear from experienced administrators from our Member Associations is pivotal in the ongoing developing of an agreed business plan.

At an elite level Baseball Victoria finished 2nd in the Under 14 National Youth Championships, 4th in the Under 16's and 2nd in the Under 18's. The Victorian Blue Women's team won the National Women's Championships and the Victorian Girls Under 15 team came 3rd in the National Youth Women's Championships.

I would like to offer congratulations to the following Associations for their wins at the State Winter Championships:

Under 12: Geelong – City Division
Sunraysia – Country Division

Under 14: Geelong – Division 1
Sunraysia – Division 2

Under 16: Ringwood Black – Division 1
Sunraysia – Division 2

Under 18: Ringwood – Division 1

Seniors: Ringwood – Division 1
City (MWBL) – Division 2

I would also like to congratulate the teams that represented Victoria at the National Little League Championships, the Yarra Rangers who finished the competition in 3rd place, Southern Mariners and Sunraysia.

It is with sadness that we acknowledge the passing of Doug Chapman and John Anderson, Life Members of Baseball Victoria. In August, we also learned of the tragic passing of Christopher Lane. Christopher, who played with both Essendon and Watsonia Baseball Clubs, was in the United States playing College baseball when he was tragically taken from us. The tragedy brought the baseball community together in both Australia and the United States in a tremendous show of support. Our thoughts and prayers remain with his family and friends during this difficult time.

Finally I would like to acknowledge and thank Board members, Stephen Thomson, Fiona McNabb, Shaun Graf, Sheila Nguyen, Scott Dawes and Myles Foreman for their commitment as well as the volunteers on our Sub Committees who work tirelessly on behalf our membership group.

Clayton Crameri
President

CEO's Report

It is my pleasure to provide my first CEO's report after joining Baseball Victoria in July 2013.

I would like to congratulate and thank the previous CEO, Brett Hidson, for his commitment to the game of Baseball in Victoria, and for what the organisation and its stakeholders were able to achieve under his guidance.

Organisations are made up of people, and Baseball Victoria is very lucky to have an outstanding group of committed employees in Christine Little, David Zucchet, Justin Huber, Damian Shanahan, Les Flower, and Ashley Blair who genuinely enjoy what they do, and are committed to supporting all of Baseball Victoria's stakeholders.

The Baseball Victoria Board drives the Governance of the game of Baseball in Victoria, and it is only when you sit with them in a Board meeting that you get to fully understand their passion for the game and the people that play, umpire, score and administer the game. It is a pleasure to work with, and discuss the game of Baseball with the Board which consists of Clayton Crameri (President and Chairman), Stephen Thomson, Shaun Graf, Sheila Nguyen, Scott Dawes, and Fiona McNabb (resigned). Fiona McNabb stepped down as a Board member, and we thank her for the work she carried out in looking after the Finance portfolio.

A few of our key figures show the following:

- There are 9594^[1], registered players
- 734 teams took the field in the 2012/13 and 2013 seasons;
- There are 118 clubs in 9 Baseball Victoria Associations and Leagues in the summer and winter seasons;
- There are a total of 219 Umpires;
- 93 CABS (Council of Australian Baseball Scorers) members with 66 scorers currently accredited;
- We have 162 accredited Coaches
- A trading surplus of \$41,061 for the 2012/13 financial year.

The year in review:

- A sound financial position was consolidated from the previous year.
- Sport and Recreation Victoria continued to support both Baseball Victoria participation initiatives, and the Melbourne Ball Park in Altona through the Committee of Management, as a State Sporting facility.
- The Facilities Development Plan for Victorian Baseball was reviewed and enhanced.
- The Victorian Baseball Academy continues to prosper, and prepare players for higher honours.
- The induction of Graham Lloyd into the Australian Sporting Hall of Fame, and the Geelong Hall of Fame, were both fantastic honours for a wonderful player, and for a person now so heavily involved in giving back to the game that presented him with so many opportunities.
- ABL High Performance Coach of the Year being awarded to Damian Shanahan for his outstanding work with the National and State Academy programs.
- The support received from the various Victorian Government departments and sponsors Fielder's Choice, Wilson, Ausport, K2 Baseball, Hall of Fame Industries and MLB International.

Strategy and Starting 9

As a part of the ongoing review of Victorian Baseball, and in line with the Strategy for Baseball in Victoria 2012 – 2015, staff were involved in planning sessions to understand the current baseball landscape, but

^[1]Count members from 'Baseball Victoria' in season '2012/13' from the Australian Baseball Federation's (ABF) national registration and insurance system, myClub.

also in how we can best move the game forward in Victoria, and obtain the best outcomes for our stakeholder groups.

A number of key programs were identified, and classified in three distinct areas:

- Priority Programs that Baseball Victoria must deliver.
- Secondary programs that Baseball Victoria should deliver if there are adequate resources and
- Other key programs that are important to baseball, but that may need to be delivered by someone else

From the planning sessions staff identified nine key areas, with a tenth being a major enabler for the other key areas. The Starting 9 as we have called them are:

1. Participation and Pathways
 2. Volunteers
 3. Events
 4. Funding
 5. Marketing
 6. Administration
 7. Facilities
 8. Media
 9. Staffing
- DH is Information Technology

Interns/Sportsready

Baseball Victoria was very lucky to have a number of Interns and Sportsready students available to assist with various office based, and field activities. Whether it be working on program development, or assisting with school clinics, these guys and girls have been of great assistance to Baseball Victoria. Without them we would not have been able to complete a number of programs. Our thanks must go to Sheila Nguyen and Deakin University for access to so many high quality interns, and to the staff at AFL Sportsready.

Baseball Facility Development Plan

Most baseball people will be aware of the Baseball Victoria Facilities Development Plan, but many would not know that this document is used as a benchmark document for other sports and organisations when speaking about best practice for the development of facilities. Not only does the document address current facilities and their place in the Victorian Baseball landscape, but also looks at the needs of the game well into the future. Credit must go to the Board for having the foresight to develop this plan, and to Stephen Thomson who has been a key driver in its further development.

Camps and Participation

The School Holiday Camps continue to grow in popularity and numbers, and it is a credit to Justin Huber, with strong support from a key group of Volunteer Baseball Mum's that these Camps have been such a success. If you have ever experienced one of the Camps, you will understand how fantastic and professionally run that they are, but also the positive energy they create for the kids, the coaches, the volunteers, and the parents.

Participation as a result of School Clinics, the Camps and the work that the clubs do in both the winter and summer is starting to show some positive growth, and this will be a key priority area for Baseball Victoria moving into 2013 – 2014. The opportunities for substantial growth in baseball is enormous, and we must pursue this area with absolute vigour and commitment.

In closing, I would like to acknowledge and thank the passionate work of the many people who supported and contributed to Baseball Victoria over the past 12 months.

Little League Committee Report

The 2013 State Little League Championships were played over the Australia Day holiday at the Werribee Baseball Club with representative teams from the Bellarine Rays, Northern Diamondbacks, Southern Mariners, Western Mets and the Yarra Rangers making up the Metropolitan Division, while Sunraysia represented the Country Division.

This year's tournament saw teams compete in a single round robin format. The final result saw Yarra Rangers win the Metropolitan Division, with Sunraysia claiming the Country Division title. In the Wild Card Play-off, Southern Mariners defeated Northern Diamond as the third Victorian team to participate in the National Little League Championships.

Thank you to the Werribee Baseball Club for hosting the Australia Day weekend, as well as the officials and many families that cheered their children along regardless of the score.

Yarra Rangers (3rd), Southern Mariners (9th) and Sunraysia (13th) represented Victoria with great pride at the National Championships. Congratulations to the Perth Central team for winning this year's tournament and subsequently being the first team from Australia to participate in Little League World Series.

Thank you to the ABF and the Alleygators Baseball Club for their efforts in staging the event.

Congratulations also to the following Victorian umpires who officiated at the National Championships, Richard Mason, Fiona Glover, Chris Mason and Paul Carthy.

Thank you again to everyone involved with the Little League Championships, including each Association and team, your efforts have been tremendous throughout the year.

Little League Administrator

Scorers Committee Report

The Scorers' Committee has 6 members who meet on a regular basis during winter and summer seasons, to discuss upcoming tournaments, clinics and CABS related issues with regards to scoring baseball. We also issue Newsletters, run clinics, and Accreditation Exams as required.

The Scorers' Committee attends the Annual National CABS workshop to ensure Victorian scorers are kept up to date with the latest changes in Australian scoring. This also enables us to liaise with scorers from all the different States and Territories, finding out what they are doing to promote and advance scoring in their regions.

Clinics are held for clubs during the summer and winter seasons with an average attendance of 7 to 12 scorers at each session, wanting to know more about scoring.

At present there are 93 financial CABS (Council of Australian Baseball Scorers) in Victoria.

Of the 93 members, 66 hold accreditations from Level 1 to Level 5

The following scorers' have represented Victoria during the 2012/2013 season:

Youth National Championships

Summer League Committee Report

The Summer League in season 2012/2013 fielded:

- 4635 participants, in
- 342 teams, (131 Seniors, 21 Women, 31 Masters, 106 Juniors, 31 Area Centre Juniors)
- 33 clubs, in
- 36 of grades, being Division 1, Division 1 Reserves, Division 1 Thirds, Division 1 Fourths, Division 2, Division 2 Reserves, Division 2 Thirds, Division 2 Fourths, Division 3, Division 3 Reserves, Division 4 East, Division 4 North West, Division 4 South, Under 18 Major League, Under 18 AAA, Under 16 Major League, Under 16 AAA, Under 16 AA, Under 14 Major League, Under 14 AAA, Under 14 AA, Under 12 Major League, Under 12 AAA, Under 12 AA, Under 14 Centre's (South East and West), Under 12 (East and West), Division 1 Women, Division 2 Women, Division 3 Women, Provisional Women, Masters Division 1, Masters Division 2 North West, Masters Division 2 East, Masters Division 2 South

The 2012/13 season was another successful one on the field, games were played, premierships were won, and importantly players played, enjoying our great game over a variety of levels. However, in addition to the on field success perhaps the most notable outcome from the season was made off the field.

The Summer League Committee ("SLC") is appointed by the Board of Baseball Victoria. It was made up of myself as Chairman, and members John Ferguson, Jason Blair, Nathan Holmes, Mark Gooding, Dale Lewis, Cassandra Shelverton. Administration support was provided by David Zucchet from the Baseball Victoria office. The members of the SLC have many years of experience in the various aspects of baseball including for example playing, managing teams, umpiring, club administrators, etc. I wish to thank all SLC members for their contribution during the season with particular thanks to David for administration support and John Ferguson for the huge amount of work undertaken to revitalise the competition following the findings of the Participation Report.

Congratulations to all premiership winning teams, and players who won various awards. Further details on the winners are provided on pages 79 and 82 of this report. The heartiest congratulations and our thanks must go to the small army of volunteers dotted throughout all the clubs that enable the game to be played each week. Without them we would not be able to enjoy the game.

Seniors men's competition

The 12 Division 1 Club Firsts teams played a 33 game home and away season with midweek games being played at various venues. Lower grade teams also played a home and away format, however with a lesser number of games with no midweek games for lower grade teams other than Division 2 Firsts.

The overall aim of the competition is to enable as many people as possible to play a game at a level that is suitable for their level of skill.

Women's competition

The women's competition is structured on a different basis to the men's due to the lower number of teams and players and their respective skill levels. With only 5 clubs wanting to play Division 1 at the start of the season it was decided to combine both Division 1 and Division 2 and all teams play an extended qualifying round. After all teams had competed against each other, then the competition was redrawn into the 2 separate divisions for a short season prior to the finals. Also, some clubs chose to compete in Division 3 due to the numbers of players and their level of skill. The long term aim is to significantly increase participation and skill levels for our women's competition.

Masters

There is a more relaxed atmosphere for Masters games where revised playing conditions ensure that the game caters for a wide range of ages and allows everyone to have a go. The Masters competition is growing stronger each season as it seems to be a formula that suits the participants. Keep on doing what you enjoy and others will come and join in.

Juniors

The junior competition is the future of our sport. Each season the clubs face various challenges in getting teams together and finding the appropriate level at which to play. This in turn creates a significant workload problem for the BV staff with constant changes to the fixtures, unfortunately there is no simple solution to this problem. With juniors we should ensure that they get to enjoy the game as much as possible so that we can retain and develop them for the future.

Off the field developments

The Department of Sport and Recreation's objective for all sports in Victoria is "More people, more active, more often". For baseball this was the Participation Research report undertaken by Deakin University. One of the aims of the study was to increase participation across the entire spectrum of baseball activities. The 12 month study, involving over 600 people, included focus groups, on line surveys and data analysis.

The findings are broadly set out below, as follows:

1. Baseball's key competitive advantages are not being leveraged
2. The family look and feel is not consistently expressed across the baseball community
3. Most in the baseball Victoria community are "exhausted" and "resource poor"
4. Gaps in the system are breaking the player participant and community member pathways

An extensive consultation process was undertaken to build on the findings of the above report. A clean sheet approach as such was undertaken whereby the clubs were invited to put forward any and all ideas to improve participation in the game.

This process included vigorous discussion over various Presidents and Secretaries meetings, detailed submissions from clubs, consideration of various options, and constant feedback to the clubs on all ideas presented. One of the big issues, for example, was trying to reduce the amount of travel. Many thanks to John Ferguson who successfully managed the huge task of handling all the submissions and circulating various summaries.

Many ideas have been put forward on a range of matters and many of these will be developed further. Various options on the possible future structure of the competition were considered by the Board. Following this the Board directed that the Division 1 clubs vote and decide the format of the competition for the 2013/14 season. These clubs decided on a 27 game conference style format. The 12 clubs were split into 2 conferences. Each club plays the other clubs within their conference three times and also play all the teams from the other conference twice. This reduces the number of midweek games required and also provides greater flexibility as to venues and timing of these games. A similar process was followed for the Division 2 clubs.

This is only the start of a process that will take several seasons to be fully implemented. Other matters raised such as expanding the criteria for Division 1, developing opportunities for corporate baseball, modified games, short seasons (10 weeks), more chances to play in finals, will be examined further. Unfortunately, it was disappointing that the SLC had to undertake several investigations into multiple breaches of the code of conduct by players, club officials and spectators. Abuse of umpires will not be tolerated. The code of conduct applies to everyone involved in the sport and will be enforced.

Thanks to all the clubs, and their hard working volunteers, that hosted various events and finals.

Thanks to the hard working Baseball Victoria staff for their efforts as without them we would not have a competition.

The SLC looks forward to continuing the development of the game so that we can all enjoy the game we love.

Director of Umpiring Report

This report brings to a close the 2012/2013 baseball year which was another very busy and demanding season for the Umpiring panel.

Although BUAV members were not able to cover every game in all of the competitions our 60 active members were able to cover just fewer than 1200 games with a total of 1991 'official' appointments. This equates to an average of 38 games per umpire over the summer season.

Following a very successful seminar held at Waverley in September, the season started well with an increase in numbers by nine on the previous year. Unfortunately 3 umpires retired during the season which took some of the gloss off the increase. On behalf of all members I would like to thank the Waverley Baseball Club for their hospitality and allowing us to use their excellent facilities.

In April of this year a Level One seminar was held in Mildura after the Sunraysia Baseball Association showed much interest in hosting the event. The seminar was a great success with 28 attendees and given the success of this event it is likely that similar seminars will be held in a regional location in April of each year. My thanks to the Sunraysia Baseball Association and Baseball Victoria for their support allowing us the opportunity to provide this training.

Melbourne Baseball Club was again the venue for our training sessions and on behalf of all BUAV members my thanks for the generous use of their facilities and especially to Malcolm Chiverton who regularly made himself available to open the clubrooms for our use.

Once again many of our members are to be congratulated on their achievements during the past year. To the ABL panel on their performances and also their appointment to the ABL All Stars game held at Altona, well done. This must certainly be a highlight of their careers never to be forgotten.

To the Umpires appointed to the National Championships congratulations on your appointment to represent the State and on a job well done.

My thanks to those who were appointed to the BV Summer League final series. It is very pleasing for me to be able to say that following the finals many of the clubs involved expressed their appreciation of your efforts.

I would like to thank all Umpires for their hard work over the season and particularly those Umpires who willingly responded to requests to fill vacancies on short notice. Also my congratulations to the BUAV award winners for the 2012/13 season.

During the season David Milton stepped down from the ABL panel and also as President of the BUAV. Over the years David has shown a passion for Umpiring and also for the welfare of BUAV members. I would like to thank David for his efforts and I am pleased to say that David has indicated he will continue umpiring and also in his role as an Instructor.

To the BUAV Committee for all your efforts and support over the past 12 months and I look forward to working with you again during the 2013 - 2014 season.

Finally a special thank you to the staff in the BV office and to those without whose assistance my role would be much more difficult. To have the luxury of being able to delegate tasks and to have the confidence that those tasks will be performed with the utmost skill and commitment eases much of the workload and pressures for the SDU.

Winter Committee Report

Baseball Victoria created the Winter Committee in 2009 following the unification of the previous VBA and VPBL associations. The main focus of the committee is to oversee the conduct of the winter championships. The current committee is made up of David Milton and myself (as the Chair), appointed to the committee along with a delegate of each of the Associations and Ashley Blair from Baseball Victoria (Secretariat).

Congratulations to the all the Associations (both regional and metropolitan) who have continued to support the Championships. Although our plan to invite Associations outside Victoria worked last year with the inclusion of Mount Gambier in the senior championships, they did not return. However City made a welcome and successful reappearance at the Senior Championships. We will continue to look for other opportunities to increase the number of teams competing in the championships

After a number of format changes for the championships, it is hoped that they have now settled into a routine; however this will depend on factors outside of our control, number of teams entered as well as locations (which are dependent on negotiations between Baseball Victoria and the various Councils across the State). We will also look for opportunities to improve the championships and of course welcome any suggestions from the Associations.

I would like to take this opportunity to thank Ashley Blair for his continued assistance, for the preparatory work done prior to each Championship and for the information provided to the Associations. I would like to also thank the Associations for the way they have embraced the Championships and look forward to their continued support in 2014.

2013 Winter Leagues

Ballarat Baseball Association

2013 has been a big year in Ballarat Baseball. We have hosted a National Championships for the National Women's and National Youth Women's Championships and now have baseball played over summer.

Ballarat also hosted the Victorian Masters once again. Combined with the National Championships that were hosted 2 weeks earlier, the tournaments have enabled greater usage of the Ballarat baseball precinct.

In turn, exposure to baseball in the Ballarat Region has never been better.

Given recent investment into local facilities, this has allowed the local baseball community to develop closer relationships, both internally and with other external community groups.

Significant gratitude goes to all involved for the running of tournaments.

Another point of interest is the entry of the Ballarat City Brewers into the Summer League 2013/14 season. Across the Ballarat baseball community, participation in a summer competition is seen as pivotal to growth in the area.

In a market where AFL and cricket still run as the predominant sports in both summer and winter, the participation of the Brewers is seen as important in keeping the game in the news in the local region.

Bendigo Baseball Association Report

This year the Bendigo Baseball Association almost didn't exist. Our AGM had to be rescheduled and letters and emails were distributed amongst all players and families of both junior and senior divisions. We managed to pull through, with people from various walks of life putting their hands up for committee positions. While it has been a challenging year with a whole new committee learning the ropes, we have persevered and tried to do everything as best as we could. I feel the year has been successful, and of course there are things we would do differently if the particular situation were to arise again, but overall we are still standing and that's what matters.

The Bendigo Baseball Association in 2013 fielded:

- 250 Players, in
- 4 Clubs, in
- 23 Teams, in
- 7 Grades, being A Grade, B Grade, C Grade, Under 16, Under 14, Under 12 and T-ball

This season, Falcons Baseball Club was no longer the main contender for our trophies and awards. Scots Baseball Club, the oldest club in our Association (often referred to as the 'underdogs') proved to be quite a challenge against Falcons in our A Grade competition. After winning our Championship Club Trophy (awarded to the Club with the most wins across all divisions) by only 10 points over Falcons, and the first game of our 3-game finals series, everybody had their doubts about Falcons making it to 14 consecutive premierships. But Falcons pulled through and won the last two games of the finals, taking home the trophy for the 14th year in a row. Falcons also took home the B Grade trophy and Strathfieldsaye Dodgers claimed the C Grade champion title. Congratulations to all.

Our Association was pleased to host the Under 12 State Winter Championships this year, which brought many families to our beautiful town. The weather for the weekend was unfavourable, but with the help of our volunteers and even members from other associations (thank you very much) to get the grounds playable, we were able to keep playing.

The Board worked extremely hard to ensure the inclusion of all clubs in the running of the Association. However in saying this, extra assistance from more volunteers is always appreciated and welcomed.

2013 saw the Bendigo Baseball Association undergo a rebranding, introducing their new logo. The new logo was decided among 20 designs sent to the Association from students and members of our clubs, entering in the competition.

This year we also had the pleasure of welcoming Ian McKenzie and Phil Box to hold a level 0 umpire training day. A big thanks to them both.

Finally, the Association acknowledges the participation of players and volunteers at the following events:

- University Games on the Gold Coast
- Bendigo Baseball Association Teams at:
 - Masters in Geelong
 - Senior State Winter Championships in Geelong
 - Under 16 State Winter Championships in Wangaratta
 - Under 14 State Winter Championships in Ballarat
 - Under 12 State Winter Championships in Bendigo

Dandenong Baseball Association Report

Success across the Dandenong Baseball Association (DBA) 2013 competition was spread wide with 7 clubs winning pennants across the seven senior grades, including Dingley taking out the A1 Championship for the first time in 27 years.

Pakenham started in the year in the A1 Grade and had a very successful year. Tragedy struck the Association this year with several passing's which have affected all members near and far. The way the Association, as a whole, has rallied behind each club is very commendable and it definitely shows our Association, and its beliefs within, are binding the playing groups across all clubs to become even closer.

The Executive is planning on bringing the A Grade competition to a 10 team competition with the promotion of Boneo, Moorabbin / Ormond Baseball Clubs. The Association welcomed a new club from Latrobe University into the Women's competition and going forward, the DBA will continue to coordinate the state's only winter competition for women. For the 2014 season we are looking at doubling the number of teams entered to ten.

The DBA in 2013 fielded:

- 1212 players, in
- 56 Senior Men's teams, 6 Women's Teams, and 37 Junior Teams in
- 20 clubs, in
- 12 of grades, being A1, A2, B1, B2, C1, C2, Women's, U/17, U/15, U/13, U/11 and Aussie T-Ball

This year also saw the first lot of Aussie T-Ballers playing in a shortened 10 week program. This saw on average 35 future DBA players running around 3 centres over the 10 week period.

A big thanks to the Cheltenham, Dandenong and Pakenham Baseball Clubs for running this portion of Aussie T-Ball. Hopefully 2014 will bring more numbers in as more schools and localised areas being targeted to increase the total number of players.

DBA again participated in all 2013 State Winter Championships, with Under 12, Under 16 Red and Under 16 Black, and Under 18 teams all finishing 2nd in each respective tournament. Congratulations to all DBA teams and many thanks to the tournaments hosts and Baseball Victoria in running these events.

Premiers

- A1 - Dingley
- A2 - Dandenong
- B1 - Moorabbin
- B2 - Dandenong

Geelong Baseball Association Report

The GBA continued to thrive as one of the state's progressive winter leagues, drawing senior and junior team entries from the Greater Geelong Area, Werribee, Bacchus Marsh, Ballarat, Colac and Newport.

The GBA boasts some of the best playing facilities in Victoria, with the magnificent Geelong Baseball Complex continuing to attract major events during winter and summer.

The GBA in 2013 fielded:

- 695 players, in
- 45 teams (32 senior and 13 junior), in
- 13 clubs, in
- 7 grades, being A, A Reserve, B, B Reserve, Under 17, Under 14 and Under 12.

In June, Geelong played host to the Baseball Victoria Senior State Winter Championship, another very successful event. The GBA Board expresses its appreciation to Baseball Victoria, officials, umpires and wonderful volunteers from the Guild and Saints clubs for helping making this weekend such a great success.

The GBA again was represented at all junior State Winter Championships, Geelong accredited itself well winning the under 12 and 14 titles. With very credible performances in the under 16 and 18 carnivals

Thank you to all managers, coaches and officials for your involvement with representative teams. Congratulations to all players gaining selection and representing the league with distinction, with special kudos extended to those who were chosen as Most Valuable Players.

This year Barry Mills continue as President with David Crotty his Deputy and the same old stages forming the balance of the Board namely Roland Stott as Treasurer and Don Stephens as Pennant Committee Chairman also Michael Lyons as Umpires Co-ordinator.

Latrobe Valley Baseball Association Report

The Latrobe Valley Baseball Association in 2013 fielded:

- 4 teams in A Grade,
- 5 teams in B and C Grades
- 4 teams in Under 16s
- 5 teams in Under 13s
- 4 teams in T Ball

Our Association had a successful season again with excellent cooperation among clubs and some surprising results in the finals. More umpires from Melbourne gave us quality umpires on a consistent basis behind the plate and on the bases.

Some clubs have faced difficulty in fielding junior teams on a consistent basis and although this improved this year, we still struggle to have junior teams in all age groups across our five clubs. This has now impacted our competition to the extent that one club is no longer able to field an A Grade side. We also have many double ups in junior age groups in order to keep teams playing games on a weekly basis.

Our senior representative team came 5th in the State Winter Championships and was able to compete well with most of the Division One teams at the tournament. We did not do as well in the junior divisions, as we only fielded an Under 12 team. This has been our first failure to enter teams in other age groups and is a result in our dropping numbers.

We again held a very successful Gippsland Championship tournament. More teams competed than did in the past few seasons. The winner was Dandenong, they defeated Berwick in the final.

Premiers:

A Grade Moe/Newborough

B Grade Moe/Newborough

C Grade Traralgon

U/16 Traralgon

U/13 Traralgon

All Stars:

Brad Adams, Dale Simpson, Josh Graham, Owen Godenzi, Matt Hardy, John Kus, Nathan Simpson, Brett Sharp, Nathan Robinson, and Luke Hornstra.

MVP: Nathan Simpson

Umpire of the Year: Ian Wannan

Thanks to our major sponsor IPM GDF Suez and to all of the clubs who hosted finals and championships.

Melbourne Winter Baseball League Report

The 2013 season for the MWBL continued on from the great successes from previous years and again saw another increase in participation with 106 senior team in 11 grades from 28 clubs and 51 junior teams in 9 grades (2/U17, 3/U15, 4/U13), from 19 clubs.

This was a success driven by the hard work of the current MWBL Board, but more importantly the hard work of the clubs and their volunteers.

Our junior participation was again strong, and welcomed the inclusion of Cheltenham in the Under 17 competition.

The MWBL in 2013 fielded:

- 2,039 players, in 11 senior grades and 9 junior grades
- 157 teams, plus Teeball and Rookie Ball programs
- 29 clubs
- 20 grades in total (A, A Reserve, B, B Reserve, C, C Reserve, D, D Reserve, D2, EL, EE, Under 17 Div 1 and 2, Under 15 - Combined Competition, Diamond Valley, Ringwood District
- Under 13 Major and Minor grades
- In addition the senior men's competition saw the number of participating Clubs in our B grade rise from 10 to 12. Whilst this led to a slightly unbalanced draw it is encouraging that clubs want to move into this promotional grade when only a few years ago we were struggling to have 6 Clubs in this competition.

We have continued to bring the playing rules of the winter competition more in line with those of the summer League. However, as we play timed games and also restricted with daylight it is not possible to align all the rules. We also undertook to revamp our reported players and tribunal processes. This is in line with most other sporting leagues where the best practice is using a Match Review Panel (MRP) to deal with a certain level of offence and by the use of a summary of offences offers are made to the report person. It is vital that the MRP process is totally separate and independent of the normal Tribunal so that the reported player is given access to natural and equitable justice.

As part of this process our by-laws have been revamped to reflect this process and we installed a new and totally independent tribunal. Thanks to Matt Nichol for the great amount of work he undertook in getting the project off the ground and the re-writing of the By-laws and playing rules as well as well as Darrell Holden for running the MRP and Tim Smith the Tribunal.

We continued to provide and fund a Level 0 umpiring course; which is directed at club players and volunteers, offering a pathway to become an appointed MWBL umpire or BUAV accredited umpire. However, more importantly it gives attendees a better insight into the rules and process within baseball. In addition it also assists those players in lower grades to assist each other when official league umpires are not available. Over the past 3 years we have had 55 participants complete this course, with a number them then completing the recent Level 1 course ran by the BUAV.

Junior recruitment and retention is and continues to be a key priority for the MWBL. Since 2008, we have been putting significant resources into the recruitment processes for all of our clubs. Since that time we have seen an approximate increase in junior teams of about 20%. It is also significant that we have also seen a similar increase in the number of senior teams, with an expansion of our lower grades. Our junior strategic committee continues to operate and both junior groups work significantly closer and more effectively together.

This season we appointed Sally Heppleston, as our media liaison person. Sally was responsible for a consistent MWBL presence in local metro media -particularly in Leader publications and as a result we had over 30 articles appear in these local papers over the winter season period. This process is a great tool which a lot of our Clubs are yet to take full advantage of to increase awareness of their activities.

Again, a successful winter campaign for our representative teams, with all levels and age groups performing well. Ringwood and District Senior team again won the Division 1 senior winter championship with Diamond Valley being the runner up. The City League team won the Division 2 senior winter championship. In order to increase awareness and facilitate a better process, the Board has taken the opportunity to re-appoint the three managers from this year to operate the teams for next year. This will give the various managers time to plan and organise; as well as encourage players to participate instead of the usual last minute run around.

We were very competitive in all junior levels, winning titles in a number of grades as well as entering multiple teams in all but one grade. The MWBL Board would like to pass on our thanks to the BV Winter Committee, and to all our senior and junior representative teams, coaches, EO, scorers, players and supporters.

We would also like to acknowledge the contribution of the following contributors:

- Slade Squires from SSS Computers
- Ben Utting from Ausport
- Tim Smith from Highway Press
- Craig Dykes from Mystique Printing
- Sally Heppleston - MWBL Media Officer
- Doug Bartlett and the MWBL Umpires panel
- Tim Smith and the other Tribunal members
- Gary Mack and the MWBL pennant committee members
- Our junior committees and delegates
- All the hardworking volunteers at all our clubs that contribute on a weekly basis
- Baseball Victoria staff

In closing, I would sincerely thank the hardworking members of the MWBL, at all levels, but closest to my role, the MWBL Board – Matt Nichol, John King, Phil Barclay, and Mark LeGrew Gary Mack and our administrator, David Rice.

It takes exceptional commitment to grow a league at the rate the MWBL has over the years, and I hope that this increase in participation continues at the same rate. We are one of the biggest leagues in Australia and in fact are bigger than most State Leagues in other states.

Like all sporting leagues, there is a turnover of committees, and this is no different for the MWBL. We all wish this new board all the best for 2014.

Sunraysia Baseball League Report

The League has again experienced a season that was comparable with the past few years. Senior player numbers remained approximately the same, but junior numbers were down slightly.

The 2013 season saw the withdrawal of the Red Cliffs Tigers from C Grade, Hawks reduced their C Grade commitment to one team and Wanderers introduced a second team to B Grade.

In 2013 the League consisted of the following

- 168 senior players, 238 junior players, in
- 39 teams, (16 Seniors and 23 Juniors)
- 5 senior clubs and 5 junior clubs
- 8 grades, being A Grade (5 teams), B Grade (6 teams), C Grade (5 teams), Under 16's (5 teams), Under 14's (4 teams), Under 12's (5 teams), Under 10's (3 teams) and Under 8's (6 teams).

The League representative sides gained considerable success in BV Championships with the Senior team being Division 2 Runners-up, the Under 18 team came 4th in their Division, the U/16 team won their Country Division, and the Under 14 and the Under 12 teams also won their Country Divisions.

We were again represented in the SACBA Championships on the first weekend in October by a senior team, an Under 17 team, 2 Under 15 teams and a Sunraysia Academy of Sport Under 17 team. The senior side won their seventh straight title, the Under 17 Academy team won their Division with the Sunraysia team being Runners-up. The Under 15 teams finished 2nd and 3rd. NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act of Victoria 2012 (and its associated Regulations). The committee has determined that the Association is not a reporting entity.

The financial report was approved by the committee as at the date of the committees' report.

The following is a summary of the material accounting policies adopted by the association in the preparation and presentation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Basis of preparation of the financial report

Compliance with IFRS

The financial statements of the association comply with the International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

(b) Revenue

Revenue from the rendering of services is recognised upon the delivery of the service to the customers.

Interest revenue is recognised when it becomes receivable on a proportional basis taking in to account the interest rates applicable to the financial assets.

Other revenue is recognised when the right to the revenue has been established.

All revenue is stated net of the amount of goods and services tax (GST).

(c) Income tax

The Association has self-assessed to be exempt from income tax pursuant to Section 50.45 of the *Australian Income Tax Assessment Act 1997* and thus is not liable for any income tax, and accordingly no provision for income tax has been raised.

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(e) Inventories

Inventories are measured at the lower of cost and net realisable value.

(f) Plant and equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

Plant and equipment

Plant and equipment is measured on a cost basis.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets is depreciated over their estimated useful lives commencing from the time the asset is held ready for use. Land and the land component of any class of fixed asset is not depreciated.

Class of fixed asset	Depreciation rates	Depreciation basis
Motor vehicles at cost	25%	Diminishing value
Office equipment at cost	35 - 67%	Diminishing value

(g) Intangibles

Patents, trademarks and licences

Patents, trademarks and licences are recognised at cost and are amortised over their estimated useful lives. They are carried at cost less accumulated amortisation and any impairment losses.

(h) Impairment

Assets with an indefinite useful life are not amortised but are tested annually for impairment in accordance with AASB 136. Assets subject to annual depreciation or amortisation are reviewed for impairment whenever events or circumstances arise that indicate that the carrying amount of the asset may be impaired.

An impairment loss is recognised where the carrying amount of the asset exceeds its recoverable amount. The recoverable amount of an asset is defined as the higher of its fair value less costs to sell and value in use.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(i) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an out flow of economic benefits will result and that outflow can be reliably measured.

(j) Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Finance Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association are classified as finance leases. Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. The interest expense is calculated using the interest rate implicit in the lease and is included in finance costs in the statement of comprehensive income. Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset, or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Operating leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as an expense on a straight-line basis over the term of the lease.

Lease incentives received under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(k) Employee benefits

(i) Short-term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

(ii) Long-term employee benefit obligations

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within twelve months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(k) Employee benefits(Continued)

Employee benefit obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

(l) Borrowing costs

Borrowing costs can include interest, amortisation of discounts or premiums relating to borrowings, ancillary costs incurred in connection with arrangement of borrowings, foreign exchange losses net of hedged amounts on borrowings.

Borrowing costs incurred as part of the cost of the construction of a qualifying asset are capitalised until the asset is ready for its intended use or sale.

(m) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

NOTE 2: ACCOUNTING STANDARDS AND INTERPRETATIONS ISSUED BUT NOT OPERATIVE AT 30 JUNE 2013

The following standards and interpretations have been issued at the reporting date but are not yet effective. The committee members' assessment of the impact of these standards and interpretations is set out below.

(a) AASB 13 *Fair Value Measurement* and AASB 2011-8 *Amendments to Australian Accounting Standards arising from AASB 13* (effective 1 January 2013)

AASB 13 introduces a fair value framework for all fair value measurements in the full suite of accounting standards. This standard explains how to measure fair value and aims to enhance fair value disclosures. The association is currently assessing which, if any of its current measurement techniques will have to change as a result of the new standard. However, it is not yet possible to provide a reliable estimate of the impact, if any, of these new rules on any of the amounts recognised in the financial statements. However, application of the new standard will impact the type of information disclosed in the notes to the financial statements.

The association does not expect to adopt the new standards before their operative date. They would therefore be first applied in the financial statements for the annual reporting period ending 30 June 2014.

Other standards and interpretations have been issued at the reporting date but are not yet effective. When adopted, these standards and interpretations are likely to impact on the financial information presented, however the assessment of impact has not yet been completed.

NOTE 3: CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are based on past performance and management's expectation for the future.

NOTE 4: FINANCIAL RISK MANAGEMENT

The association is exposed to a variety of financial risks comprising:

- (a) Interest rate risk
- (b) Credit risk

The members of the committee have overall responsibility for identifying and managing operational and financial risks.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates.

The association's exposure to interest rate risk in relation to future cashflows and the effective weighted average interest rates on classes of financial assets and financial liabilities, is as follows:

2013

Financial instruments	Interest bearing	Non-interest bearing	Total carrying amount	Weighted average effective interest rate
	\$	\$	\$	
<i>Financial assets</i>				
Cash	131,076	100	131,176	2.7 % Floating
Debtors	-	133,987	133,987	0.0 %
Other receivables	-	6,060	6,060	0.0 %
	<u>131,076</u>	<u>140,147</u>	<u>271,223</u>	
<i>Financial liabilities</i>				
Bank overdraft	-	11,106	11,106	0.0 %
Creditors	-	358	358	0.0 %
Leases	35,765	-	35,765	9.3 % Fixed
Other payables	-	31,683	31,683	0.0 %
	<u>35,765</u>	<u>43,147</u>	<u>78,912</u>	

NOTE 4: FINANCIAL RISK MANAGEMENT (CONTINUED)

(a) Interest rate risk(Continued)

Financial instruments	Interest bearing	Non-interest bearing	Total carrying amount	Weighted average effective interest rate
	\$	\$	\$	
<i>Financial assets</i>				
Cash	54,601	14,933	69,534	2.6 % Floating
Debtors	-	116,921	116,921	0.0 %
Other receivables	-	<u>9,257</u>		0.0 %
	<u>9,257</u>	<u>141,111</u>	<u>195,712</u>	
<i>Financial liabilities</i>				
Creditors	-	48	48	0.0 %
Leases	14,650	-	14,650	8.8 % Fixed
Other payables	-	<u>31,503</u>	<u>31,503</u>	0.0 %
	<u>14,650</u>	<u>31,551</u>	<u>46,201</u>	

No other financial assets or financial liabilities are expected to be exposed to interest rate risk.

Sensitivity

If interest rates were to increase/decrease by 1% from rates used to determine fair values as at the reporting date, assuming all other variables that might impact on fair value remain constant, then the impact on surplus for the year and members funds is as follows:

	2013	2012
+ / -	\$	\$
Impact on surplus after tax	1,201	695
Impact on members funds	1,201	695

(b) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date of recognised financial assets is the carrying amount of those assets, net of any provisions for impairment of those assets, as disclosed in statement of financial position and notes to financial statements.

The association does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the association.

NOTE 4: FINANCIAL RISK MANAGEMENT (CONTINUED)

The association minimises concentrations of credit risk in relation to trade receivables by undertaking transactions with a large number of customers.

(i) Cash deposits

Credit risk for cash deposits is managed by holding all cash deposits with major Australian banks.

(ii) Trade receivables

Outstanding receivables are regularly monitored for payment in accordance with credit terms.

The aging analysis of trade and other receivables is provided in Note 7. As the association undertakes transactions with a large number of customers and regularly monitors payment in accordance with credit terms, the financial assets that are neither past due nor impaired, are expected to be received in accordance with the credit risk.
