# INTRODUCTION

Baseball Victoria, its members, clubs and the wider community have all been affected by COVID-19. The health, wellbeing and safety of all involved in our sport is paramount, as such Baseball Victoria will continue to work closely with the relevant health authorities, both at a national and state level, to ensure we successfully navigate our way to safely resuming activity and play for baseball in Victoria.

**“These have been challenging times for everyone, and we appreciate the patience of our community during the shutdown of Victorian baseball,” Baseball Victoria President Myles Foreman said. “We are pleased to see our country’s success at flattening the curve and moving forward as a sport we need to remain extremely vigilant and cautious to protect the health and wellbeing of our community. Although changes must be made, we remain confident that we can safely return to baseball activity and eventually to playing our game.”**

- Non-essential baseball activity other than training in groups of up to 10 people is still shut down until at least 31 May 2020. Committee meetings and non-essential gatherings are not permitted.

## OFFICIALS – UMPIRES AND SCORERS

Umpires, scorers and game day officials will follow the same protocols as players detailed in the Return to Activity when competition resumes. Baseball Victoria will be working with the Baseball Umpires Association of Victoria to ensure umpires are ready to commence a Return to Play.

Based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. As part of the Return to Activity with training in small groups, there will be limited coach interaction and no officials (umpires or scorers) permitted to be present.
