

# WEEKLY MEMO

<b>TO:</b>	VSBL CLUB PRESIDENTS AND SECRETARIES, MEMBERS
<b>DATE:</b>	<i>March 2nd 2018</i>
<b>FROM:</b>	BV CEO – Justin Huber
<b>SUBJECT:</b>	Summit Series and Medal Presentations

Dear VSBL Club Presidents and Secretaries, BV Members,

## Summit Series

BV President Myles Foreman today confirmed the services of Simon Brown-Greaves as facilitator for our upcoming Summit Series. This series is aimed at engaging representatives from our community most connected with our office in an effort to address a number of organisational issues that have arisen throughout the summer season.

BV are committed to working closely with our stakeholders and these sessions with Simon present a real opportunity to improve our culture, and the way we operate as a community and organisation as a whole.

Details on Simon are below and also can be found on the FBG website <http://www.fbggroup.com.au/company/simon-brown-greaves>

Simon Brown-Greaves is an experienced senior executive and organisational psychologist with more than 20 years' involvement in helping businesses and public sector organisations align people and performance. Prior senior roles include an executive management role at Chandler Macleod and CEO of the OSA Group. Earlier in his career he worked as a senior consultant at Davidson Trahaire and held senior psychologist managerial roles in Victoria Police and Corrections.

As consultant and executive coach, Simon has worked closely with the executive teams of many of Australia's leading public and private organisations and he continues to partner with them to help solve complex cultural issues and develop leadership effectiveness.

## Medal Presentations

I am happy confirm that BV will have a Staff, Board or Life Member representation at each of the BV grand final games over the next two weekends, in both Juniors and Seniors. The main

**GAIN. TRAIN. RETAIN. SUSTAIN.**

purpose for this attendance will be to assist in the medal ceremonies at the conclusion of each game.

As importantly it is the aim of BV to connect with the members and honour these special games in the way most appropriate for the occasion.

It is a great opportunity to connect with these delegates so I encourage you and your members to take the opportunity to welcome and enjoy some open dialog on relevant subjects within your communities.

A list of delegates has been sent to your club Presidents and Secretary separately.

### **Awards Night**

A reminder to our members that the BV Awards night is fast approaching. We have secured a great venue in Richmond, however it is smaller than our previous venues so places are limited and filling fast.

The Panorama Room at Fenix is located at 680 Victoria Street in Richmond. Doors open at 6:30pm for a 7pm sit down. Please get your RSVP's to [samantha.creed@baseballvictoria.com.au](mailto:samantha.creed@baseballvictoria.com.au) by March 9<sup>th</sup> with any dietary requirements.

<http://fenix.com.au/>

Different that previous years we have a 2 course sit down meal with 4 hour table service beverage package (not including spirits which are available at the bar).
