

BASEBALL VICTORIA REFUND POLICY

- Membership fees paid to Baseball Victoria are non-refundable. Please ensure that you select the correct membership type.
- Baseball Victoria are unable to provide refunds or pro rata fees for Membership and Player Registration regardless of circumstance or number of matches played.
- Memberships registered after the start of season will not be processed on a pro-rata basis and are charged at the price listed on the national database.
- A right to be a member of Baseball Victoria (if granted) is non-transferable to other people. Any attempt to transfer to another person without the knowledge of BV may result in the cancellation of any rights granted by the Baseball Organisation without refund and you may not be permitted to participate in further Baseball Activities or programs.
- You also accept that fees paid for membership of BV are non-refundable.
- Baseball Victoria may consider any refund request received in writing via the BV Refund Request Form (available on the BV Website) where exceptional circumstances exist. Baseball Victoria may agree to issue a refund by approval of the BV CEO.
- In the event that a refund is processed, this will be refunded to the card on which payment was initially made.
