INTRODUCTION

Baseball Victoria, it's members, clubs and the wider community have all been affected by COVID-19. The health, wellbeing and safety of all involved in our sport is paramount, as such Baseball Victoria will continue to work closely with the relevant health authorities, both at a national and state level, to ensure we successfully navigate our way to safely resuming activity and play for baseball in Victoria.

“These have been challenging times for everyone, and we appreciate the patience of our community during the shutdown of Victorian baseball,” Baseball Victoria President Myles Foreman said. “We need to remain extremely vigilant and cautious to protect the health and wellbeing of our community. Although changes must be made, we remain confident that we are now in the process of being able to commence safely returning to baseball activity and eventually to playing our game.”

PURPOSE

The purpose of this document is to provide the Office of Sport and Recreation Victoria and the associated government department that manage venues and facilities throughout the state with a comprehensive strategy of a 'Return to Activity' and a 'Return to Play.'

All information provided is sourced from relevant national and state government departments and strictly follows the guidelines as prepared by Sport Australia in the [AIS Framework for Rebooting Sport in a COVID-19 environment](#) and the Department of Sport and Recreation Victoria. In an evolving landscape with COVID-19, the recommendations and guidelines detailed in this document will be updated regularly in line with national and state announcements.

KEY PRINCIPLES

In addition to the [National Principles for the Resumption of Sport and Recreation Activities](#) published by the Australian Government on 2 May 2020, Baseball Victoria is adhering to the following guidelines as part of the national family of baseball states and territories:

1. GOVERNMENT GUIDELINES

1. Baseball Victoria will follow any direction from the State and Federal Government and align with the [AIS Framework for Rebooting Sport](#).
2. Baseball Victoria will review activities as directed by the State Government should restrictions or guidelines be amended or updated.
3. Baseball Victoria encourages the use of the Australian Government's [COVIDSafe App](#).

2. GOOD HYGIENE

1. Hand hygiene facilities or products must be available to all participants and attendees. This includes access to a sink and soap for handwashing and/or hand sanitiser with over 60 percent alcohol.
2. Avoid sharing equipment or apparel.
3. Minimise catering or shared food/drink facilities.
4. Frequently touched surfaces, work areas and equipment are cleaned thoroughly.

3. SOCIAL DISTANCING

1. Maintain social distancing measures. In accordance with the AIS principle of *'Get in, train and get out,'* this means participants should come prepared to training and games, as well as quickly pack up and leave once their activities have finished.

2. Return to Activity will see no use of any indoor facilities, Return to Play will see restricted use of indoor facilities.
3. No mass gatherings including club or committee meetings, team meetings, on field huddles or game discussions. Baseball Victoria supports the use of video and telephone conference technology to replace face to face interaction.
4. Limits on the amount of people attending training and game play.
5. Signage will be provided by Baseball Victoria. This signage will be customisable for clubs to convey important social distancing, hygiene and cleaning protocols.

4. RESTRICTIONS

Under **no** circumstances should anyone with symptoms consistent with COVID-19 attend any baseball training, games or events.

This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or lack of sense or smell.

Under **no** circumstances should anyone attend the event if they have been:

- i. overseas in the previous 14 days; or
- ii. in contact with someone who has been overseas in the previous 14 days; or
- iii. in contact with a known COVID-19 positive case in the previous 14 days.

5. MONITORING

1. A COVID-19 Officer will be appointed at each club to ensure protocols are undertaken and maintained.
2. In addition to encouraging all participants to download the [COVIDSafe App](#),
 1. all participants will be required to register with SportsTG that they are attending training, including any club committee members or coaching staff;
 2. all clubs will maintain a register of attendees, including dates and times, and this information will be shared with and monitored by Baseball Victoria.

6. GENERAL

1. Safety of all participants and the wider community is the top priority for Baseball Victoria and underpins all decisions related to the Return to Activity and Return to Play.
2. Resumption of Baseball Victoria activities should not compromise the health of individuals or the community.
3. The resumption of Baseball Victoria activities will contribute to the health, economic, social and cultural benefits of the participants and wider Victorian community.

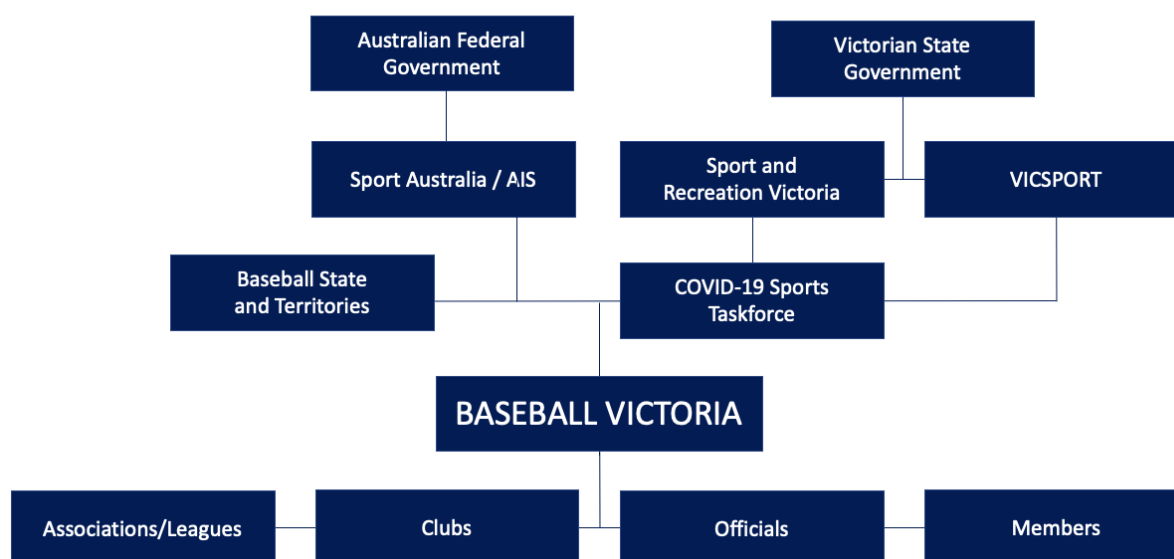

RESOURCES

Baseball Victoria will provide links to all resource documentation on the [Baseball Victoria website](#), to be updated regularly and available to all clubs and members.

COMMUNICATION STRUCTURE

Baseball Victoria's communication structure receives and provides information as follows:

All communication including updates to materials and roll back to together activity restrictions would be communicated directly to members via email, via the Baseball Victoria website (www.baseballvictoria.com.au) and via the Baseball Victoria social media channels.

RESTRICTIONS - CURRENT

From Sunday, 18 October 2020, 11:59PM

MELBOURNE (METRO)

Baseball Victoria in alignment with the Victorian Government implements the Stage Four restrictions across Melbourne from Sunday, 2 August 2020 and have been extended as per the Victorian Government Roadmap, as per the updates on 18 October 2020.

Baseball Victoria confirms that no members in Metro Melbourne will be allowed to attend any Baseball Victoria training, clubs, committee meeting or events.

[Victorian Government Metro Melbourne Easing of Restrictions](#)

REGIONAL VICTORIA

Baseball Victoria in alignment with the Victorian Government implements the Step Two restrictions across Regional Victoria from Sunday, 18 October 2020 from 11:59PM

Regional Victoria (including Mitchell Shire) will return to Step Two restrictions, including:

- Outdoor exercise and recreation allowed
More specifically - "Outdoor contact and non-contact sport for people aged 18 and younger, outdoor non-contact sport only for adults, with gathering and density limits, outdoor skateparks open, outdoor fitness for groups as necessary to facilitate the sport"

RETURN TO ACTIVITY

Currently applicable to Regional Victoria

Applicable to Metro Victoria from 1 November 2020

Baseball Victoria will continue with its Return to Activity as follows:

CLUBS

- All Clubs need to nominate a COVID-19 Coordinator, who will be the Baseball Victoria direct contact for updated information and compliance.
- Clubs can now access outdoor facilities including batting cages for training while maintaining social distancing rules (1.5 metres apart, 4 square metre rule).
- Clubs can now access toilet facilities.

JUNIORS

- Junior full contact training can commence.
- Junior full contact competition can commence.

ADULTS

- All clubs must adhere to the maximum 20 people including coaches per group.
- There can be two groups on the field, one in the diamond and one in the outfield with approximately 20 metres in between them.
- Each group may have 20 people including athletes and coaching staff; the groups may swap over at any time but need to remain in their original group of 20 people for the entire training session.
- Where multiple training sessions are being run, there must be a 15-minute gap between each training group.
- Groundskeepers, spectators and other club members may not be on the field during training, otherwise they will count toward the maximum number of people.
- All athletes, coaches and volunteers must use hand sanitiser before, during and after training. Hand sanitiser must be applied for members to obtain access to the field.
- Parents will be able to attend training with children in limited numbers while maintaining social distancing.
- All training will be conducted so that there is no personal contact and appropriate space between participants, the social distance of 1.5 metres must be maintained at all times for seniors.

Baseball Victoria has prepared a list of frequently asked questions, which will be regularly updated on our website [HERE](#).

RETURN TO PLAY

Currently applicable to Regional Victoria

Applicable to Metro Victoria from 1 November 2020

Baseball Victoria continues to develop the return to play protocols in line with government restrictions. Hygiene, social distancing, monitoring and testing protocols described previously still apply. Refer to the [AIS Framework for Rebooting Sport](#).

NOTE: Currently a Return to full Contact Play for Senior members in Regional Victoria has not been confirmed.

RESTRICTIONS:

- Full training activities, including contact activities.
- Australian Government Health Department resources will be prominently displayed in the facilities and entry points, including handwashing, social distancing and cough advice.
- Officials and players to maintain 1.5 metres distance between each other at all times, unless during game play. Scorers desk to be cleaned during the game.
- Entry into venue and exit out of venue to be clearly identified if possible, with arrows on the ground. Designated area for incoming teams (both home and away) to gather and warm up at the venue. Limited physical contact and coming together in tight huddles during training or games.
- Access to support and treatment officials for strapping or massage is limited.
- Sports medicine equipment that used for more than one person must be sterilised between uses.
- Treatment officials to wear required Personal Protective Equipment (PPE) in line with Victorian Department of Health and Human Services recommendations.
- Personal drink bottles only.
- Provide external benches/chairs at the facility to maintain physical distancing on the bench.
- Treatment equipment to be wiped down and sanitised before and after each use.
- Venues to be secure with a single access point for players, officials and other personnel required at venue (such as umpires, security, media). Records of attendees to be maintained for each match.
- Entry and Exit points should be marked with signage and communicated to athletes and officials prior to commencing competition.
- Where possible, pick up and drop off zones should be established in car parks or at the front entrance to a facility to clearly indicate where people should wait, while maintaining social distance, for drop off or collection from the facility.
- Venues and accessed areas to be cleaned and sanitised before and after each use.
- Minimum contact of non-essential surfaces to occur and hands on treatment should be kept to essential only.

Baseball Victoria has prepared a list of frequently asked questions, which will be regularly updated on our website [HERE](#).

GENERAL REQUIREMENTS

HYGIENE

The following general hygiene practices for players and officials always apply, in line with government advice:

- Wash your hands often with soap and water for at least 20 seconds.
- Wash or sanitise your hands before eating (all players and officials should have personal hand sanitiser).
- If soap and water are not available, use an alcohol-based hand sanitiser.
- Avoid touching your eyes, nose and mouth.
- Avoid close contact with people who are sick.
- Cover your mouth to cough or sneeze (using your elbow).
- No sharing of towels/water bottles/food, including lolly or fruit bowls.
- Any areas (meeting rooms, treatment rooms, change rooms etc) accessed by players and officials to be comprehensively cleaned and sanitised after each use.
- Clubs to take steps to adequately clean and disinfect player facilities (once available) before and after use.
- Clubs must do all they can to reinforce the above precautions, including making appropriate hand washing facilities available, as well as the provision of alcohol-based hand sanitiser and tissues.
- Medical officials must follow protocols as outlined in infection control training (ie: disposal of gloves in between treatments, wearing of face masks).

ADDITIONAL GAME & TRAINING HYGIENE

- Alcohol-based hand sanitisers must be available in the dugout once competition has resumed.
- Players must remain 1.5m apart at all times.
- Spitting and clearing of nasal/respiratory secretions on diamonds or other sport settings is not permitted.
- No sharing of headsets or computer screens/iPads, without cleaning measures in place.
- All equipment to be cleaned and disinfected prior and after sessions and games.
- No high fives, handshakes or other physical contact.

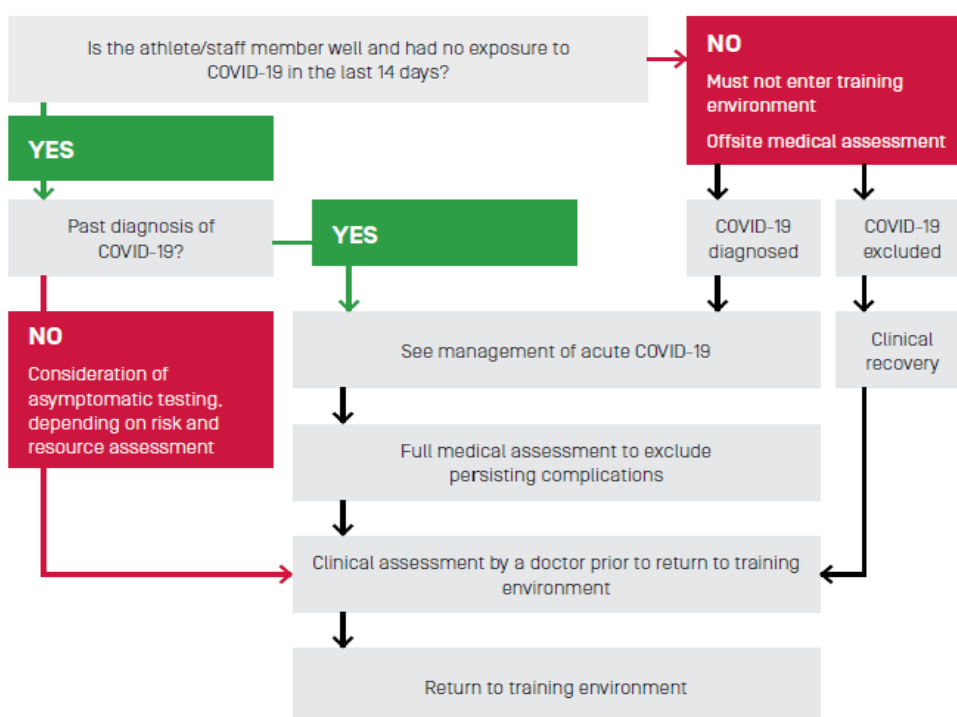

TESTING

- Any advice on testing for COVID-19 will be guided by the State Government and Health officials.
- Should any member become symptomatic, they must undergo relevant testing and follow isolation procedures until the results of the test are available.
- Any other relevant testing will be implemented at the request of health professionals.

RETURN TO TRAINING ASSESSMENT

- A player/official member must not join the training or playing environment if in the last 14 days they have been unwell or had contact with a known or suspected case of COVID-19.

- Any player/official member who has underlying health conditions or is considered a vulnerable person should consult with a healthcare professional prior to returning to the training or match day environment. Refer to *Vulnerable Cohorts* section below.

OFFICIALS – UMPIRES AND SCORERS

Umpires, scorers and game day officials will follow the same protocols as players detailed in the Return to Activity when competition resumes. Baseball Victoria will be working with the Baseball Umpires Association of Victoria to ensure umpires are ready to commence a Return to Play.

VULNERABLE COHORTS

Based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. As part of the Return to Activity with training in small groups, there will be limited coach interaction and no officials (umpires or scorers) permitted to be present. For the Return to Play, any person who is over 65 years of age or with underlying medical conditions would be required to continue to follow current social distancing requirements, and when needed, additional measures will be put into place to ensure those distancing requirements can be achieved.

SANCTIONS

If clubs are either warned or fined by Police for breaking an enforceable direction, Baseball Victoria will follow the process under the [Baseball Victoria By-Laws](#) and [Member Protection Policy](#). If Baseball Victoria is notified of an instance where a club is reported to have breached an enforceable direction, the matter will be reported to Victorian Police.

An individual found in breach of current restrictions may be fined \$1000 on the spot and a club/association/business may be fined \$5000 on the spot by the Victorian Police. Non-compliance is considered a breach of the [Baseball Victoria Member Protection Policy](#) and [Baseball Victoria Code of Conduct](#) and as such penalties will apply.
