PAUSED FOR  
LOCKDOWN

Thursday, 15 July 2021

*Lockdown #5*

## VERSION 22

# INTRODUCTION

Baseball Victoria, our members, clubs and the wider community have all been affected by COVID-19. The health, wellbeing and safety of all involved in our sport is paramount, as such Baseball Victoria will continue to work closely with the relevant health authorities, both at a national and state level, to ensure we successfully navigate our way to safely resuming activity and play for baseball in Victoria.

“The baseball community will again deal with this version of our lockdown which sees baseball across the state of Victoria cease. We thank the baseball community for their continued vigilance to safety and continue adhering to the restrictions that are now in place. We are disappointed to see the Winter competition cease again and especially disappointed to have to cancel the Under 12 State Winter Championship competition that was schedule for this weekend.

We look forward to working with the government and relevant authorities to return to safe baseball as soon as possible.”

*Baseball Victoria CEO Kristie Middleton*

- Definitions of 'Indoor Space' include:
  - Indoor space means an area, room or premises that is or are substantially enclosed by a roof and walls that are temporary (in a physical recreational facility or food and drink facility only) or permanent structures rising either from floor to ceiling or are at least 2.1 metres high, regardless of whether the roof or walls or any part of them are open or closed.
