

## Baseball Victoria SELECTION PROCESS - COACHES

Nominations are called for all positions and publicised on the Baseball Victoria website.

All coaches who were involved in previous programs are advised that nominations are open and encouraged to reapply for positions within the programs.

Expressions of interest are also received from coaches currently not involved in the programs.

All nominees' applications were then assessed by a three member panel consisting of the CEO, Operations Manager and Talent Development Manager.

All applicants for child related positions are required to attend at least one interview, preferably in person or on a video-conference.

All appointments are made on the basis of coaching experience at the elite level, performance at National Championships, ability to relate to athletes in the programs, and whether they could add value to the programs.

All recommended appointments are then forwarded to the Board for ratification.
