Australian Red Cross Lifeblood Teams Program

Baseball Victoria saved over 210 lives in 2021 as part of the [Australian Red Cross Lifeblood Teams Program](#), and so far this year our team has donated enough blood to save 24 lives.

Thank you to everyone who has gotten involved in this valuable cause as Lifeblood delivers life-saving blood and plasma donations to thousands of Australians every year.

Australia needs 31,000 blood donations every week, and we'd love to continue saving lives with the help of the Victorian baseball community. Please sign up to join the Baseball Victoria Lifeblood Team [HERE](#).
