

BV WOMEN'S PATHWAY WORKING GROUP MEMBER POSITION DESCRIPTION

Background

The Women's Pathway Working Group identifies a number of significant initiatives that must be delivered over the next several years if we are to achieve the purpose and objectives and realise our vision for women's baseball in Victoria.

The scope of work to be undertaken is significant in its breadth, depth and complexity, and is beyond the capacity of the BV Staff acting alone. We must therefore mobilise the considerable experience, skills, and goodwill of our membership and that of other sport delivery partners, as well as draw on external resources and support.

One way of achieving this is through the formation of Working Groups that have a focus on specific strategic initiatives and programs.

The primary function of the Working Group will be to advise the BV CEO and Board on matters set out in the Women's Pathway Working Group Terms of Reference. The Group will be accountable to CEO.

Working Group's Role, Skills and Experience

For the Working Group to be effective, it is important that all group members are engaged with and contribute to the work of the group.

It is expected that each member of a Women's Pathway Working Group will:

- Actively support the purpose of the Group
- Have skills, experience, and expertise relevant to the purpose of the Group
- Contribute to the discussions of the Group
- Be well informed on the business of the Group
- Perform any tasks delegated to them in a timely manner and to the best of their ability
- Work collaboratively with other Group members
- Alert the Group to any potential conflicts of interest
- Notify the Chair if they are unable to attend a meeting or complete a task delegated to them
- Adhere to all relevant BV policies and its constitution
- Have experience working with a broad range of stakeholders
- Be self-motivated and enthusiastic about the work of the Group
