## **BV Performance Pathway: 2023 Youth Women's Prospects Tryout Registration**

Baseball Victoria is pleased to open tryout registration for the Youth Women's Prospects Program as part of our new Performance Pathway.

The Youth Women's Prospects Pathway is a step beyond the existing club program and offers high-performing players the chance to further develop their skills and pursue representative opportunities.

A tryout will take place on Saturday 14 October for players born between 2003 and 2008 who are the top performers in their club. Venue and times TBC.

The program will be run over seven weeks under the leadership of both Samantha Hamilton (Victorian Women's Head Coach) and Dean Anglin (Victorian Youth Women's Head Coach).

"We're thrilled to announce the Youth Women's Prospects Program. Our main objective is to provide young female athletes with more opportunities to sharpen their skills," Hamilton elaborated. "Our dedication to reinforcing key aspects of their game and preparing them to compete at the next level is our focus."

"The potential within Victoria's emerging baseball talent is incredibly promising, and we're excited to be a part of their ongoing path to growth and achievement, both within the game and beyond. We're also committed to upskilling those coaches within the Baseball Victoria Coaching Panel, ensuring a holistic approach to player development."

The cost of the program will be approx. \$550, which includes quality coaching, Prospect playing cap, and training top.

## Modernisation of Summer Baseball Transition Working Group

The Baseball Victoria Board has established the Transition Working Group (TWG) to support the transition and implementation of the Modernisation of Summer Baseball Plan.

The TWG will advise and make recommendations to the CEO and Board regarding transitional changes, timelines for implementation and associated key strategic priorities to overcome potential competition barriers.
