Vision and Mission

VISION

Baseball at its best

MISSION

For all people to experience the joy of baseball in Victoria

VALUES

INTEGRITY

Modelling high levels of honesty, accountability, transparency, and ethical behaviour, creating an environment of mutual trust and respect.

COMMUNICATION

As the peak body representing sport to key decision-making bodies, empowering all stakeholders to improve outcomes for athletes and lift the profile of sport and its benefits.

INNOVATION

Embracing diversity and inclusivity, providing accessible and equitable opportunities, and appreciating cultures of our region.

COLLABORATION

Providing a cooperative network and advocacy service to build a united voice for the community of sport.

ACCESS

Offering safe, equitable and welcoming environments

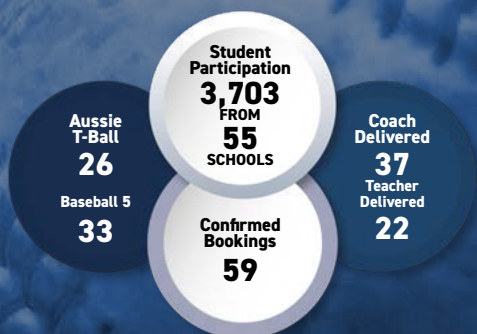

State of Play

Participation numbers in the 2022/23 financial year are based off a full summer and winter season, as we recorded a slight increase in total registered players across summer and winter.

Sporting Schools

Baseball Victoria participates in Sporting Schools, a \$200 million Australian Government initiative designed to help schools increase children’s participation in sport and connect them with community sporting opportunities. These numbers reflect our Sporting Schools participation numbers in the 2022/23 financial year.

Student Participation by Year

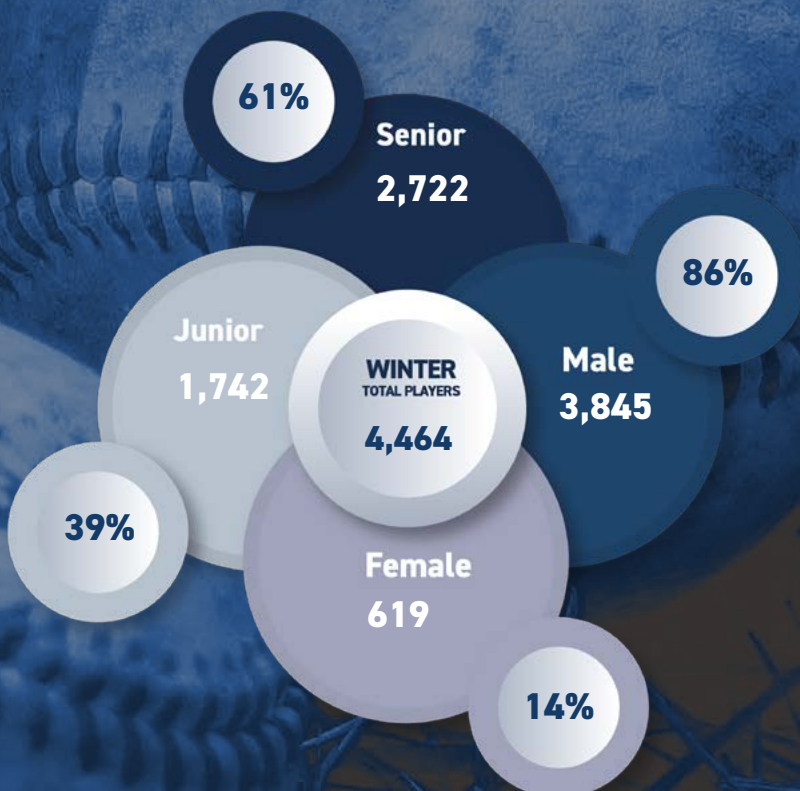

2022/23 Summer Season

Participation numbers for the 2023 Summer Season.

2023 Winter Season

Participation numbers for the 2023 Winter Season.

Highlights

2022/23 featured plenty of highlights across baseball in Victoria. Thank you to all of our members for making it a great year!

OCT 2022

- VSBL season gets underway
- Women & Girls Coaching Workshop at Melbourne Ballpark

Baseball Victoria Directors

ANDY ROSE

President

Andy is honoured to take on the role of Baseball Victoria President to help lead his beloved sport to a bright future across Victoria. Over the last 25 years, Andy has run a successful photographic and digital company, with a strong focus on strategic direction and team management for advertising campaigns on both local and national levels.

Over the past decade, Andy has been heavily involved in Victorian baseball, coaching teams, managing committees, and facilitating programs from community t-ball up to high performance. He also served as president of North Balwyn Baseball Club since 2010, where he focused on growing junior participation and offering more opportunities to participate in baseball. Andy is excited to direct his enthusiasm and creative thinking to further the strategic plan of growing grassroots baseball and fostering the next generations of talent in Victoria.

GRANT WEIR

Vice President, Game Development & High Performance, Finance and Nominations Committee

Grant's experience is vast, both within the sport of baseball and externally. Playing baseball for most of his life, he's been a part of teams in the Under 19's USA Tours, the Australian Baseball League and the 1988 Olympics. As a coach, Grant has worked with the Australian Under 17's and Claxton Shield teams as a pitching coach as well as heading the Victorian and Australian Women's programs in their early years.

Grant currently lectures at Victoria University. He has worked previously for the Victorian Baseball Association and held multiple positions in the sports industry sector for other state and national organisations.

MATT NICHOL

Audit, Risk and Finance Committee

Matt is a sports law academic at Central Queensland University, focusing on baseball, team sports, labour regulation/mobility, corporate governance, and integrity in sport. As a lecturer in business law at CQU's School of Business and Law, Matt teaches commercial law, international commercial law, governance and business law. Previously, he taught business law units for 10 years at Monash Business School.

Matt has over 30 years of experience in community, elite pathway, and professional baseball as a player, coach and administrator. He is the former secretary and Vice President (Pennant Committee Chairperson) of the Melbourne Winter Baseball League. He is a former tribunal member for the VSBL, MWBL, and ABL, and was part of the baseball operations team at the Melbourne Aces for 10 years. Matt also coached in the Victorian Under 12 Kangaroos Program and the Under 14 National Youth Championships.

JOANNA O'CONNOR
Marketing, Nominations Committee

Joanna O'Connor has over 10 years of experience in digital marketing specialising in retail, media and entertainment markets. She holds a Bachelor of Commerce Degree from the University of Auckland and post graduate in Commercial Law.

AMY MCCANN
Nominations Committee, Women's Pathway Working Group

Amy is an experienced and decorated baseballer who represented the Australian Emeralds and the Victorian Aces for 12 years (2002-14), where she won two World Cup medals and was named Baseball Australia Player of the Year. Amy is also a passionate club person with 20 years of involvement with Doncaster Baseball Club. This includes 300 games as a player, ten seasons in various coaching roles within the renowned women's program, and several club committee positions.

Professionally, Amy is a passionate digital media and communications professional with 20 years of experience across a range of environments from the grassroots to the international stage including multiple Olympic and Commonwealth Games and World Championships. Currently Amy is the Social Media and Digital Content Adviser with the Australian Institute of Sport.

Amy produces a podcast titled Women's Baseball - The Inside Pitch which features stories of women's baseball and women in baseball, is also a regular commentator on Foxtel and Kayo. Amy is also a one-eyed Atlanta Braves fan who believes MLB should not ban the shift!

BRETT MITSCH
Director

Brett is an experienced senior banking executive and current managing Director of Steam Plains Capitol. Brett holds a Master of Business Administration and has extensive experience in global executive leadership, NFP governance, and management. His previous roles as an advisor, portfolio manager, and board member allowed him to develop and execute a range of growth strategies, and he has also represented at numerous investor conferences and industry presentations. As a player who has returned to the sport after 30 years, Brett is passionate about baseball and driving increased participation at the grassroots level.

KATHY TESSIER
Director

Kathy Tessier is a passionate consultant with over 25 years of experience in the sports industry specialising in inclusive training and strategic planning. Currently a Professional Learning Coordinator with Active Schools at ACHPER Vic, Kathryn has been a director of Active Approach since 1996, working with a number of sports organisations from the local to international level. She has extensive team leadership, conflict management, and public speaking skills, having previously served as the Executive Manager for the Australian and New Zealand Sports Law Association. Kathy is excited to bring her unique experience as a sports industry consultant, practicing PE teacher, and university lecturer to Baseball Victoria.

Baseball Victoria Directors (cont.)

ANNA RONALD

Finance Director

Anna Ronald is a CPA Public Practitioner with over 20 years of accounting experience within the sporting and not-for-profit sectors in both Australia and the UK. This includes financial accounting roles with Cricket Australia, the ICC Cricket World Cup, and Cricket Scotland.

Anna currently manages her own accounting practice, helping clients grow their business and achieve their goals. Anna is excited to bring her extensive industry experience and qualifications to baseball in Victoria to ensure a strong financial future for the sport.

JENNIFER PITSON

Director

Jennifer joins Baseball Victoria with almost 25 years of sport sector experience holding strategic, commercial, participation, marketing and event roles. Jennifer holds a Master of Business Administration (Entrepreneurial Management) and is currently a HDR PhD candidate with RMIT; researching the role sport has in contributing to successful ageing. Jennifer is currently the General Manager of AFL Masters Vic Metro Football League, having previously served as General Manager - Commercial & Development at Motorsport Australia and Sponsorship Manager at Bowls Australia. At both organisations, she was responsible for developing and implementing relevant strategic plans to achieve set commercial and participation outcomes.

Throughout her career, Jennifer has worked for the Australian Football League, Melbourne Racing Club, and City of Melbourne managing strategic partnerships with Cricket Australia, Australian Rugby Union, and Melbourne Vixens to name a few. She's passionate about strengthening commercial and participation strategies to benefit sporting organisation members and keeping people active. She's looking forward to influencing the future of Baseball Victoria and ensuring grassroots baseball continues grow, providing a safe and inclusive sport for all ages.

RESIGNED DIRECTORS

ROB STANLEY
Finance Director
Resigned Oct 2022

Rob Stanley undertakes the role of Finance Director and professionally holds the UK CIMA qualification. He has held senior roles in finance at Cricket Australia and the Royal Australian College of General Practitioners and managed both organization's financial planning and analysis functions.

Rob is a father of two young girls and a keen runner who has completed both the Melbourne and Gold Coast Marathons. Rob also has a long history in community sport playing hockey for a number of years with Old Haileybury Hockey Club.

BASEBALL VICTORIA PRESIDENT'S REPORT

Andy Rose

It's been another fantastic year for baseball in Victoria, and it's a privilege to serve as BV President during such an exciting time for our grassroots sport. Our board and staff have been hard at work, driving change from the ground up to ensure a bigger and brighter future for baseball in Victoria.

None of it would be possible without the Victorian baseball community who support our great game through playing, coaching, umpiring, scoring, and volunteering. Thank you to each and every one of our members and supporters for being part of Victorian baseball!

During the 2022/23 financial year, we enjoyed an action-packed VSBL season, ending the summer on a high note with a thrilling finals series. It was great to see so many juniors, seniors, and masters having fun out on the field, whether it be at their local club or Melbourne Ballpark. We also had another strong winter season, thanks in large part to the dedicated efforts of our winter associations, clubs, and volunteers.

In addition to the summer and winter seasons, we've enjoyed successful state events and national tournaments. It's so rewarding to see our juniors shine at the Australian Youth Championships, Australian Youth Women's Championships, and Barclay Cup. Our Victorian Women's State Team celebrated their 25th anniversary with an incredible campaign on home turf during the Australian Women's Championship at Melbourne Ballpark, coming away with the silver medal.

From the Little League State Championships to the State Winter Championships, BV School Holiday Camps to coaching and umpiring workshops, our Victorian baseball community has demonstrated amazing talent, sportsmanship, and commitment. Baseball is in great hands with our current on-field leaders and club volunteers, and the next generation will be well-positioned to follow in their footsteps.

With the release of our 2023-2026 strategic plan, the rebranded and enhanced BV Performance Pathway, and new initiatives for women and girls, baseball in Victoria is making some big steps forward. We are excited to see what the future holds for our Victorian baseball community as we move ahead with the Modernisation of Summer Baseball Plan and continue to promote new opportunities to grow all levels of the game.

I would like to take a moment to thank BV CEO Chet Gray for leading the organisation through a very productive year. He has worked closely with the board, staff, and stakeholders to finalise the new strategic plan while also ensuring a high level of service and numerous opportunities for all our members.

Thank you also to the BV staff for their continued hard work and support: Damian Shanahan, Kellie Thomas, Rachael Bouley, Keli'i Zablan, Audrina Ning, Randall Vavra, Michelle Coote, and David Nagy. Thank you to BV Performance Pathway coaches Daniel Chircop and Samantha Hamilton who are doing an awesome job on the field. I would also like to acknowledge the contributions of Stewart Howe and Lea Squadrito who resigned from their positions earlier this year.

Thank you to the BV Board of Directors for their continued commitment to overseeing the governance and strategic direction of Baseball Victoria: Grant Weir, Anna Ronald, Joanna O'Connor, Matt Nichol, Amy McCann, Jennifer Pitson, Brett Mitsch, and Kathy Tessier.

Again, a huge thank you to our amazing Victorian baseball community for all the support as we encourage our baseballers to chase their dreams on and off the diamond. Let's make 2023/24 our best year yet!

Andy Rose
President
Baseball Victoria

BASEBALL VICTORIA CEO'S REPORT

Chet Gray

What an exciting year it's been for baseball in Victoria! We've certainly been busy, with our board, staff, and stakeholders working together to ensure a bright future for baseball at all levels across the state.

It's been an honour to lead the BV office throughout a big year of strategic planning, program development, and new initiatives. One of the key priorities for us this past year was finalising the Baseball Victoria Strategic Plan for 2023-2026. After a series of internal and external workshops, we unveiled our new strategic plan, which supports our vision: baseball at its best and our mission: for all people to experience the joy of baseball in Victoria.

With our strategic plan in place, we have focused on supporting and growing our sport through a range of initiatives over the last 12 months. Our summer competition continues to go from strength to strength, with another great season for juniors, seniors, and masters in the books. Following the 2022/23 VSBL season, we headed into a jam-packed month of tournaments, with the Australian Women's & Youth Women's Championships at Melbourne Ballpark in April.

Then we had our Little League State Championships, which welcomed hundreds of junior baseballers as they made great memories on the field. Several Victorian teams advanced to national tournaments, gaining valuable experience competing against top talent from around the country in Little League, Intermediate League, Junior League, and Senior League.

As the winter baseball season got underway, so did the BV Performance Pathway Prospects & Select as part of our rebranded Academy program which we launched at the start of 2023. The three-tier pathway includes U12/U14 (Futures), U16/U18 (Prospects), and Select (National Squad/College Commits) and is designed to offer more opportunities for player development and representation at the state, national, and international levels.

From the inaugural Barclay Cup for junior girls to the beloved tradition of Australian Youth Championships, Victorian players and teams have made us very proud over the past year. It's always wonderful to see young players gain new skills and chase their dreams, and we look forward to a bright future with the next generation of Victorian baseballers.

We remain committed to growing junior baseball and women's baseball with the continuation of popular events like the State Winter Championships, as well as the introduction of new programs such as the BV Belles Little League team and all-girls school holiday camps. With a Women's Pathway Working Group supporting the strategic direction, governance, and leadership of women's pathway initiatives, we are well-positioned to continue growing the game for women and girls.

As we look ahead to the future, we are committed to growing not only player participation but also our coaching and umpiring fraternity. With a streamlined pathway for education and accreditation, we are making it easier for officials to pursue their passions and embrace leadership opportunities in our great game.

We are looking forward to the Modernisation of Summer Baseball as we open up more playing opportunities with a new VSBL structure, as well as another strong winter season and more competitions and events to keep our community engaged and enjoying the sport we all love.

With more businesses and organisations coming on board for the BV Diamond Partnership Program, we are strengthening community connections and gaining much-needed support and exposure for our sport around Victoria. Thank you to Ausport, School Sport Victoria, Fullhammer, SportsLink Travel, Maribyrnong Sports Academy, Salesian College Sports Academy, Field of View Sports Photography, and Aces Sporting Club for signing on as Diamond Partners.

The success of our grassroots sport wouldn't be possible without the dedicated volunteers who put in so many hours to make baseball happen week in and week out. Thank you to everyone involved at the club level, as well as all the players and parents who take part in baseball across Victoria.

I would also like to thank the BV Office team for their impressive commitment to our organisation. We are a small team with many different responsibilities, and their hard work makes a noticeable difference to the baseball community. We will continue to provide a high level of service to ensure a positive and enjoyable experience for all members.

Additionally, I'd like to extend my thanks to the BV Board of Directors for their support. It's been a pleasure working with everyone and I look forward to another year focused on enhancing and growing baseball in Victoria. The future is bright, and we can't wait to see what we can accomplish together in the next 12 months and beyond.

A handwritten signature in blue ink that reads "Chet Gray". The signature is written in a cursive style with a large, sweeping flourish at the end.

Chet Gray

CEO

Baseball Victoria

Victorian Summer Baseball League

The 2022/23 VSBL season was a big hit with juniors, seniors, and masters making the most of their time on the field. From first timers to seasoned veterans, people of all ages and backgrounds took part in local club ball, made possible by dedicated volunteers.

Thank you to everyone who participated in the VSBL season and of course our amazing clubs and volunteers who work tirelessly to keep our grassroots game going. Our clubs offer so many great opportunities for the community to get involved, whether it be playing, coaching, umpiring, scoring, groundskeeping, or volunteering in other areas around the grounds.

The below table captures summer participation for the 2022/23 season, while the following pages highlight VSBL winners. Thank you to all our baseballers and supporters for an awesome summer season – we look forward to many more to come!

Winter Season

Winter baseball was back in full swing this year! It was fantastic to have a full winter baseball season and see so many baseballers and clubs enjoying fun times on the field. Thank you to our associations and clubs for providing safe and enjoyable sporting experiences for people of all ages.

The 2023 winter season saw strong participation numbers with a slight increase over last year and many exciting competitions across metropolitan and regional Victoria, as well as the State Winter Championships. Thank you to the winter associations for taking part and a special mention to our hosts in Geelong, Bendigo, Latrobe Valley, Wangaratta, and Werribee.

Thank you to everyone who participated this winter, from players and coaches to association and club administrators. Our participants and volunteers make grassroots baseball possible and we look forward to many more successful winter seasons to come.

The below table highlights 2023 winter participation numbers while the following pages contain reports submitted by winter associations, which were all invited to provide an update on their winter season through the end of the financial year (30 June 2023).

Bendigo Baseball Association

Bendigo Baseball Association had 161 seniors and 166 juniors with 283 male and 44 female players.

BBA has seen a significant boost in participation this year with a record number of teams entered. This is in no small part due to the amazing efforts of the Strathfieldsaye Dodgers who had the largest number of teams entered and biggest intake of juniors.

Congratulations to the Dodgers this year for taking out the Bendigo Baseball Association Best Club trophy and with a team in every senior final.

This year the BBA managed to enter a representative team in all but the Senior State Winter Championships including a women's team despite not having a women's competition in Bendigo. Bendigo hosted the U14's SWC and the first All Girls invitational and are looking forward to an opportunity to continue hosting future SWC's.

Luke Martin
President
Bendigo Baseball Association

Dandenong Baseball Association

The 2023 season saw Dandenong Baseball Association field over 944 players across Rookie Ball, U/13, U/15, U/18, A1, A2, B1, B2, C1, C2, and women's. This included 787 male, 155 female, and two non-binary players, with 250 juniors and 694 seniors.

The following clubs participated: Berwick, Bonbeach, Boneo, Chelsea, Cheltenham, Dandenong, Dingley, Frankston, Moorabbin, Mordialloc, Mornington and Pakenham.

The DBA had a change in their board members for the 2023 winter season: Ben Newton took over the presidency, David Ashwood continued as Vice President, Andrea Cormick continued as Treasurer, and Gemma Dowsett took over as Secretary. Gavin Daniels was appointed to the new role as Competitions Coordinator, Brandon Mize took on the SWC Role, and Russell Johnston took over the junior and senior fixturing role. The new board continued to have the support of Jake Grigorescu (previous secretary). We would like to thank all the current and previous members of our board for their ongoing support.

Our clubs have had their challenges so far this year, with some unfortunate weather, vandalism and lack of volunteers, but we would like to congratulate and thank them for successfully fielding teams, setting up grounds, opening canteens, coaching/managing, and supporting one another and the association. Thank you to our clubs for making sure that baseball is seen across the areas that create Dandenong Baseball Association.

Gemma Dowsett
Secretary
Dandenong Baseball Association

Geelong Baseball Association

The GBA boasts some of the best playing facilities in Victoria, with the magnificent Waurn Ponds, Pioneer Park, and Prince of Wales Park complexes.

In 2023, GBA fielded over 500 players in:

- 53 teams (35 senior, 7 women and 11 junior)
- 11 clubs
- 9 grades (Firsts, Seconds, Thirds, Fourths, and Fifths together with Women's and Under 16, Under 14 and Under 12)

The GBA hosted the 2023 Senior State Winter Carnival and the inaugural Senior Women's State Winter Carnival. GBA was successful in both carnivals. The GBA expresses its appreciation to Baseball Victoria, officials, umpires, and wonderful volunteers from the Guild and Saints clubs for helping make this weekend such a great success.

The GBA was represented in all junior State Winter Championships and was successful at the Under 14 tournament and runner-up at the Under 16 one. While no success came to the Under 12 representative side, the experience and friendships made hold this team in good stead for the future. The Under 18 carnival was cancelled due to inclement weather.

Major Award Winners

- Club Champion (Alex Everett Trophy) – Saints
- Firsts MVP (A.E. Gear Trophy) – Trent Pantalleresco (Werribee)
- Firsts Best Batting Avg. (Neville McPherson Trophy) – Leigh Ashmore (Royals) Ave 0.447
- Firsts Best Pitching ERA (Col King Trophy) – Trent Pantalleresco (Werribee) ERA 1.712
- Seconds MVP (L.G. Howell Trophy) – Brendan Delorenzo (Colac)
- Thirds MVP (Gordon McKay Trophy) – D Hamilton (Alfredton)
- Fourths MVP (Artie Murrells Trophy) – Daniel Dobbie (Corio)
- Fifths MVP – Brad Mann (Saints)
- Women's MVP – Kira Kuwamoto (Guild)

Tony McPherson
Executive Officer
Geelong Baseball Association

Latrobe Valley Baseball Association

The 2023 Latrobe Valley Baseball Association winter season has been successful with all teams still able and vying for ladder positions late into the season.

We have enjoyed continuing working with Baseball Victoria in hosting the Under 16 Championships again which we were able to come away as co-premiers.

Baseball Victoria also assisted the association with a grant which was used to purchase Zooka machines for a modified baseball rules competition. This has proven to be successful within our Under 13 age group as the removal of walks has encouraged juniors to develop their hitting.

The association has also been successful in gaining a strategic planning grant and will be using this to excel in the future.

We have had a total of 238 members throughout the 2023 season across our five clubs: Churchill Braves, Moe/Newborough Dodgers, Morwell Cougars, Sale Rangers and Traralgon Red Sox. This includes 95 juniors and 122 seniors.

The LVBA finals will be hosted by Traralgon Baseball Club on Sunday 18 September.

Sam Gillett
President
Latrobe Valley Baseball Association

Melbourne Winter Baseball League

The Melbourne Winter Baseball League has continued to move forward in 2022-23, as we build on our strong base of clubs and look to improve our current situation.

This year sees the senior competition with 118 teams competing over 14 grades (including the women's division), an increase of 11 teams from 2022. The junior competition also fielded 73 teams, an increase of nine teams from 2022.

These increased team numbers are a direct indication of the hard work the clubs have been putting in across the board to develop their junior programs and increase participation at the base level. In the winter, our women's division moved from six teams to nine teams. This increase is fantastic to watch, as the clubs really get behind the program, and continue to build an enjoyable environment.

Moving through the season, we continue to move from a position of financial strength, with our team poised and ready to continue assisting clubs in the building of the winter program.

This year, we have engaged with The Content Engine to begin building out our social media presence, which will begin during the season for a soft launch – including more social media updates and building the base profiles, before really tackling a larger social media presence leading up to and during the 2024 season.

The season has been challenging thus far, with ground allocations under pressure due to weather and issues outside of the league and clubs' control. We continue to work with clubs to help ensure as many games can go ahead as possible.

Although preemptive, I'd like to extend my thank you to the Administrator, the Board and the volunteers around the MWBL for the 2023 season. The countless hours put in by these people go above and beyond any recognition afforded to them, as they maintain a stable environment for the clubs and players every year.

Good luck to the clubs that compete in the finals and have a happy and enjoyable remainder of 2023.

Slade Squire
MWBL President

North Eastern Baseball Association

North Eastern Baseball Association had 129 seniors and 121 juniors with 203 total male and 47 female participants across five clubs: North Albury Bears, Wangaratta Rangers, Benalla Bandits, Porepunkah Panthers, and Wodonga Warriors.

NEBA established a C Grade competition which was designed to bridge the gap between U15s and seniors for our U18 cohort of players. The C Grade also provided a place for beginners to kick start their baseball journey. The C Grade introduction resulted in four additional sides to our competition. We also welcomed back the Benalla Bandits U15 side who did not have enough numbers in 2022 to field a side. Congratulations to the Benalla Bandits for re-entering this side.

One key highlight of NEBA's 2023 season was the inaugural All-Girls team at the All-Girls Winter Invitational. NEBA was the only association to enter a full team into the competition – it was a fantastic opportunity for our girls to showcase their skills. Additionally, NEBA entered a U12s side for the first time at the State Winter Championships. We weren't sure how our tiny team would go based on coach pitch rules played in our local competition, but the youngsters rose to the challenge and did the league proud.

NEBA also entered sides in the U14, U16, U18 and Senior State Winter Championships. Additionally, we were set to host the U18 SWC at our Wangaratta facility, however due to weather the weekend was cancelled.

Our League Premiers were:

A grade: Bears defeated Rangers 16 - 4; MVP – Mark Taylor (Bears)

B grade: Wangaratta Rangers Orange defeated Rangers Grey 7 - 6; MVP – Sam Grigg (Orange)

C Grade: Porepunkah Panthers defeated Wodonga Warriors 10-9; MVP – Luca Barthelmes (Porepunkah)

U15's: Wodonga Warriors defeated Wangaratta Rangers 3 - 2; MVP – Asish Basnet (Warriors)

U12's: Bears defeated Porepunkah 17 - 7; MVP – Flynn Vines (Bears)

North Eastern Baseball Association

President: Heath Anders

Secretary: Stephanie Odewahn

Treasurer: Tracey Chadwick

Sunraysia Baseball League

Our senior men's competition increased by three teams this winter. Both Eagles and Wanderers entered a second team in the C Grade competition and Saints had two senior teams this season.

There was a sprinkling of women playing, up to 12 across Hawks, Eagles, and Wanderers. Wanderers put most of their 16's kids into their senior sides.

Our hosting of the Australian Intermediate League Championship ended with the fourth and final year of the event coming to Mildura finishing this year. It was again a brilliant event with ten teams coming from all over the country, with Brisbane North taking the title and earning the right to represent Australia in the USA. The tournament ran smoothly with our small team of volunteers working up to 12 hours a day to make sure the kids had a great time.

We received numerous compliments from the teams, officials, and parents about our facilities, our fantastic canteen, our weather, and our town, with many coaches expressing disappointment the tournament will not be here again.

From our point of view, it was great to welcome the teams from all over Australia, including one from the NT for the first time. Baseball Australia were great and helpful.

We were not able to send any representative teams away to the BV Winter Championships this year, which is very disappointing. We hope to rebuild our numbers and be able to send teams away again.

We have a few dedicated volunteers who are determined to keep baseball alive here in the northwest of our state. We are working hard to rebuild our senior and junior numbers, both keeping our existing four clubs afloat and exploring opportunities for new clubs across our region.

The future looks brighter now that we are fully out of the COVID spectre, and with plenty of positivity and spreading the word, we look forward to providing baseball for all in our community to enjoy.

Nick Carroll
President
Sunraysia Baseball League

BV Performance Pathway

It's been a big year for Baseball Victoria's participation, development, and high performance programs. In December 2022, we launched our new Performance Pathway, which offers more opportunities for player development and representation at state, national, and international levels.

The Baseball Victoria Aces Academy was rebranded as part of the BV Performance Pathway, which reflects our updated vision, mission, and direction to optimise player performance and increase the pool of international standard players in Victoria. The new and improved program has a greater focus on performance outcomes, made possible through additional investment funding by Baseball Victoria.

Key changes to the program include:

- A three-tier pathway including U12/U14 (Futures), U16/U18 (Prospects) and Select (National Squad/ College Commits)
- The inclusion of a women's pathway training program
- Education and training for athletes' well-being and resilience program
- Emphasis on increasing the talent pool of male and female players in Victoria
- Creating a learning environment where players can improve their decision-making processes while performing under pressure

Our BV Performance Pathway programs have proven successful throughout the year, with a great group of players working hard to achieve their goals. We look forward to a bright future with these programs supporting players throughout their baseball journeys.

Victorian State Teams

In addition to our BV Performance Pathway Futures, Prospects, and Select training programs, our Victorian State Teams enjoyed success on the national stage. We are so proud of all our Victorian representatives, including the U16 and U18 State Teams at the Australian Youth Championships and our female baseballers at the Australian Women's and Youth Women's Championships.

Our U16 and U18 teams finished in third place to bring home bronze medals from January's nationals held at Blacktown International Sportspark.

Team Australia selected National Junior Camp participants based on AYC performances, and 10 Victorians earned a spot in the U16 camp: Ty Daniels, Jordan Ellis, William Hardy, Will Kent, Andrew Land, Mitch Langworthy, Hudson Pallay, Nathan Rumbelow, Robinson Smith, and Zak Stafilis.

Lachlan Amon, Aimon Dowling, Jayden Kim, Evan Maury, Logan O'Brien, Jack Ratcliffe, Harper Rickard, Lachlan Smith, Declan Speirs, Ryan Williams, and Ryder Wilson were named to the U18 camp.

Our Victorian Women's and Youth Women's State Teams spent the first few months of 2023 training hard for the national championships, which were held at Melbourne Ballpark over the Easter period. Victoria won silver in the senior event and bronze in the youth to stand alone as the only dual medallists across both tournaments.

Following the tournament, Team Australia named the Emeralds squad. Jamie Bastian, Genevieve Beacom, Allie Bebbere, Lili Cavanagh, Morgan Doty, Jessica Johnson, Abbey Kelly, Shae Lillywhite, Abbey McLellan, and Maddy Patrick were selected to train alongside talented women's baseballers from around the country ahead of the Women's World Cup campaign. Victorian Women's Head Coach Samantha Hamilton was named to the coaching staff along with Ursula Howard as EO.

Thank you to all our representatives who made us so proud and thank you to all the officials and supporters of the Victorian State Team Programs.

Coaching & Umpiring

Baseball Victoria is committed to supporting and growing our community of baseball coaches and umpires. We know that these officials make our great game possible, ensuring a safe, fair, and fun competition for all.

In the past year, we have offered a series of workshops for officials to refresh their skills and gain more knowledge of gameday management. This included the Women & Girls Coaching Workshop at Melbourne Ballpark in October, which was made possible by the Change Our Game Community Activation Grants Program. 35 representatives from 18 clubs spent the day learning how to better support women and girls through dedicated baseball coaching and training.

The free workshop featured two special presentations from the Australian Institute of Sport, including an interactive session on building your personal coaching network with Michelle De Highden, High Performance Coach Development Senior Lead. Olympian Katarina Paul and Paralympic Maria Strong were also on hand to discuss the importance of safe, inclusive environments for all athletes.

BV High Performance Staff Damian Shanahan and Keli'i "Zee" Zablan led a baseball classroom session before hitting the field with 2022 Victorian Women's State Team and Victoria Aces Head Coach Samantha Hamilton.

Damian and Zee also visited local clubs throughout the season for coaching workshops, leading to the launch of the new Canopi online platform for coach accreditation. Coaches can use the Canopi system to track and complete Baseball Australia's coach accreditation through the USA Baseball Certification courses. There are 3 levels of accreditation: A, B and C, and level A is a mandatory component of BV coaching accreditation.

All coaches, including assistant, club, head, and specialist coaches, can sign up to Canopi to complete accreditation requirements in line with BV coach education.

We are also focused on growing umpiring numbers as we need more umpires to cover all levels of the game. While we maintained nearly full coverage of VSBL Division 1 and 2 Firsts, like previous seasons we did not have enough umpires to cover all lower grades. We had over 60 umpires put their hands up throughout the season, but with varying availability and some umpires retiring, it's paramount that we recruit, educate, and support the next generation of umpires.

Current and past umpires were given the opportunity to provide feedback and input during forums as we developed and finalised the BV Umpiring Blueprint for the Future. Our vision is to provide a fun and inclusive environment for all while developing umpires to grow and develop via clear pathways, ensuring they are respected stakeholders in the game.

In addition to new umpire education initiatives, we launched the BV Green Vest Program during the summer season. Clubs received brightly coloured green vests featuring Baseball Victoria Volunteer Umpire across the back. Beginner umpires at the club level are encouraged to wear these vests to identify them as "in training" and help build greater understanding among players, parents, spectators, and coaches.

We are planning to bring coaches and umpires together for collaborative workshops and further training to ensure our officials feel supported and valued within our baseball community. Thank you to everyone who has coached and/or umpired this year – we appreciate all of our baseball officials!

Financial Report

Presented by Finance Chair Anna Ronald

Change of financial year end

In FY23 Baseball Victoria altered its financial year end from 30 September to 30 June.

As a result, the FY23 financial statements represent the period from 1 October 2022 to 30 June 2023.

Comparative figures

The comparative figures for FY22 represent the period from 1 October 2021 to 30 September 2022.

A retrospective restatement has been conducted to correct the accounting treatment of the BV Development Fund from 2020 to 2022. The restated 2022 figures are used as comparatives in the statements.

These statements use the full-year figures for 2022 as comparatives due to material end of year adjustments made in September 2022.

The non-inclusion of these adjustments would significantly affect the accuracy of the 2022 statements.

FY23 results

The result for 1 October 2022 to 30 June 2023 was a surplus of \$163,751.

Revenue increased by \$352,632 from the prior year revenue total, which offset a corresponding increase in expenses of \$204,713.

Baseball Victoria's cash reserves remain strong, with a \$5,876 increase in reserves from the prior year cash total.

October 2022 - September 2023 YTD results

The result for the period from 1 October 2022 to 13 September 2023 is a deficit of \$980.19.

Committee's Report

30 June 2023

The committee members submit their report together with the financial report of Baseball Victoria Incorporated (the 'Association') for the financial year ended 30 June 2023.

Committee members

The names of committee members throughout the year and at the date of this report are:

Andy Rose - President
Joanna O'Connor
Grant Weir
Matt Nichol
Amy McCann
Brett Mitsch
Anna Ronald
Jennifer Pitson
Kathy Tessier

The committee members have been in office since the start of the year to day of this report unless otherwise stated.

Principal activities

The principal activities of the Association during the financial year was to facilitate and promote baseball in Victoria.

No significant change in the nature of these activities occurred during the year.

Significant changes

The Association changed its financial year end from 30 September to 30 June. As a result, the current year period in these financial statements represents the period from 1 October 2022 to 30 June 2023. The comparatives represent the period from 1 October 2021 to 30 September 2022.

Operating result and review of operations

The surplus of the Association for the financial year amounted to \$163,751 (2022: \$15,832).

The Association continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Signed in accordance with a resolution of the Members of the Committee:

Committee member: 
Andy Rose

Committee member: 
Anna Ronald

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements For the Year Ended 30 June 2023

The financial statements cover Baseball Victoria Incorporated as an individual entity. Baseball Victoria Incorporated is a not-for-profit Association incorporated in Victoria under the *Associations Incorporation Reform Act 2012* ('the Act').

The functional and presentation currency of Baseball Victoria Incorporated is Australian dollars.

The Association changed its financial year end from 30 September to 30 June. As a result, the current year period in these financial statements represents the period from 1 October 2022 to 30 June 2023. The comparatives represent the period from 1 October 2021 to 30 September 2022. The accounting policies in both periods are consistent unless otherwise stated.

1 Basis of Preparation

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Association Incorporations Reform Act of Victoria 2012 (and its associated Regulations).

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

All revenue is stated net of the amount of goods and services tax (GST).

Interest revenue

Interest revenue is recognised when it becomes receivable on a proportional basis taking into account the interest rates applicable to the financial assets.

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements

For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies (continued)

(a) Revenue and other income (continued)

Other income

Other income is recognised on an accruals basis when the Association is entitled to it.

(b) Income tax

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997* and thus is not liable for any income tax, and accordingly no provision for income tax has been raised.

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(d) Leases

At inception of a contract, the Association assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset. This may be explicitly or implicitly identified within the management. If the supplier has a substantive substitution right when there are no identified asset.
- The Association has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Association has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements

For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies (continued)

(d) Leases (continued)

lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Association has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

(e) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(f) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

(g) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Plant and equipment

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies (continued)

(g) Property, plant and equipment (continued)

Depreciation

The depreciable amount of all fixed assets is depreciated over the estimated useful lives commencing from the time the asset is held ready for use. Land and the land component of any class of fixed asset is not depreciated.

Class of fixed asset	Depreciation rates	Depreciation basis
Motor vehicles at cost	25%	Diminishing value
Office equipment at cost	35%-67%	Straight-Line

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

(h) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Association changes its business model for managing financial assets.

Amortised cost

The Association's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies (continued)

(h) Financial instruments (continued)

Financial assets (continued)

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss (refer to hedging accounting policy for derivatives designated as hedging instruments.)

The Association holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

The Association's financial assets measured at FVTPL comprise derivatives [insert details of other financial assets carried at FVTPL] in the statement of financial position.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Association's historical experience and informed credit assessment and including forward looking information.

The Association uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Association in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Association has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies (continued)

(h) Financial instruments (continued)

Financial assets (continued)

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables, bank and other loans and lease liabilities.

(i) Impairment of non-financial assets

Assets with an indefinite useful life are not amortised but are tested annually for Impairment in accordance with AASB 136. Assets subject to annual depreciation or amortisation are reviewed for impairment whenever events or circumstances arise that indicate that the carrying amount of the asset may be impaired.

An impairment loss is recognised where the carrying amount of the assets exceeds its recoverable amount. The recoverable amount of an asset is defined as the higher of its fair value less costs to sell and value in use.

(j) Employee benefits

Short-term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits expected to be settled within twelve months of the reporting date are measured at their nominal amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

Long-term employee benefit obligations

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within twelve months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of the services provided by employees up to the reporting date.

BASEBALL VICTORIA INCORPORATED

ABN 78 603 120 057

Notes to the Financial Statements For the Year Ended 30 June 2023

2 Summary of Significant Accounting Policies (continued)

(j) Employee benefits (continued)

Employee benefit obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

(k) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(l) New or amended Accounting Standards and Interpretations adopted

The Association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

4 Retrospective Restatement

The comparative figures have been adjusted in accordance with AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors*.

The Company correct the 2020 financial statements related to accounting treatment of BV development fund.

The aggregate effect of the error on the annual financial statements for the year ended 30 June 2023 is as follows:

Statement by Members of the Committee

The committee has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

In the opinion of the committee the financial report as set out on pages 2 to 18:

1. Presents fairly the financial position of Baseball Victoria Incorporated as at 30 June 2023 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Baseball Victoria Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President
Andy Rose

Finance Chair
Anna Ronald

Dated 13/9/2023

BASEBALL VICTORIA INCORPORATED
ABN 78 603 120 057**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**
BASBEBALL VICTORIA INCORPORATED**Report on the Financial Report****Opinion**

We have audited the financial report of Baseball Victoria Incorporated, which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report Baseball Victoria Incorporated is in accordance with the *Associations Incorporation Reform Act of Victoria 2012*, including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the *Associations Incorporation Reform Act of Victoria 2012*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Associations Incorporation Reform Act of Victoria 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Association to meet the requirements of the *Associations Incorporation Reform Act of Victoria 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is intended solely for the Association and its members and should not be used by parties other than the Association and its members. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other

information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Associations Incorporation Reform Act of Victoria 2012*, for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Association’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor’s Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Further information about our responsibilities can be found at <http://www.auasb.gov.au/Home.aspx>

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
