Re: Premier 1 Clubs

Dear VSBL Club Presidents & Secretaries,

Please be advised we are still not able to pass this information along to clubs while the Pennant Committee are ensuring they have covered all processes and procedures to finalise an accurate outcome for the 2024/25 season.

We recognise that this continues to hold teams in limbo for the upcoming season and wish to communicate that we are working hard behind the scenes to get these responses out to clubs as soon as possible.

We are still looking to collect applications and team nomination information through a survey (<https://www.surveymonkey.com/r/2425VSBL>) by the 5th of July.

Please complete this survey to the best of your ability and send it through by COB Friday 5th July. The information help us plan appropriately and find alternative venues where necessary.

The Pennant Committee will confirm soon further competition playing conditions and clarifications identified at the Modernisation of Baseball workshop on 1 May, including eligibility criteria, future promotion relegation details and other key information requested by clubs.

Thank you for your patience and understanding as we prepare for a big summer of baseball.

Kind Regards,

Chet Gray
