Re: VSBL Season Update

Dear VSBL Club Presidents & Secretaries,

Fixture Updates

Masters – After requests to the Pennant Committee, Masters now have an additional 2 rounds. They will be starting on October 7 and have an additional round on February 24, reverting to a 2 week finals system. Please review the updated Masters fixtures.

State 3/4 East – There have been some slight changes to this division fixture due to ground unavailability. Please review the updated fixture

State 3/4 West – Greensborough have withdrawn from this division, however North Coburg have taken this spot. Please note the change in opposition and venue.

Women's South – Pakenham have take up the bye in this division. Please note the change in opposition/removal of the bye.

Big League

Discussed last Wednesday at the PS&C meeting; after reviewing the Junior divisions the Pennant Committee has expanded the Big League Division to League Age 14 -19 and moved their game time slot earlier to Saturday 9:00am. This will be reflected in the playing conditions.

Junior Nominations

Disappointingly, there are still a number of clubs who have not submitted their junior team nominations. These were due **September 6**. We encourage clubs to complete these over the weekend as we will begin making fixtures next week and there will be a cut off point of accepting further team nominations. Team nominations can be made [here](#).

Registrations

There has been a glitch in the registrations whereby new registrants are being assigned to the 2023/24 season, instead of the 2024/25 season. This has been rectified for all FUTURE registrations, however, we are still working with Baseball Australia to reassign other players who have registered prior to this fix up, to the correct season.

Clubs who are needing an accurate report of registrations are encouraged to use the transaction report until we are able to have the member registration report reflect accurately.

Umpire Seminar

As a reminder, the 2024 BV Umpire Seminar is set for 21-22 September at Knox Baseball Club. If you're interested in becoming an umpire and completing our Community Umpire Course, or you wish to brush up on your skills behind the plate, we would love to see you there. Please click [HERE](#) to register.

As always, if you have any questions, please reach out to the office.

Kind Regards,

Chet Gray
