Re: Women's Team Promotion

Dear VSBL Select Club Presidents & Secretaries,

As I am sure you are aware, we are very keen to help the Women's game continue to grow, both in number and in strength.

One of our focuses is to see the Premier League Division expand, with a goal of having a 6th team enter into the Women's Premier Firsts Division.

Now, I don't want to scare you off too early in the conversation, we understand that this might be too big of a jump in competition for your club next season, however, we would like to begin having discussions with your club in the hope that this is a goal for your Women's Program.

As a high performing team in the 2023/24 State League Division, we would like to open a conversation with you around competing in the 24/25 Premier Reserves.

Is this something that your Women's Program is already considering?

What are the challenges your club is currently facing in making this nomination?
Is there a way that Baseball Victoria can help overcome these challenges?

Would your club benefit from a conversation between your playing group, coaching staff and/or committee and Baseball Victoria to try and have your Women's Program in a position to compete in Women's Premier League in the next 2-3 seasons?

Baseball Victoria continues to be committed to Women's Baseball and hope that you will take us up on the opportunity to help grow the strength of your program.
If you have any questions, please do not hesitate to contact the office.

Kind Regards,

Chet Gray
Chief Executive Officer
Baseball Victoria
