**Re: VSBL Season Update**

Dear VSBL Club Presidents & Secretaries,

**Summer Registration**

Registrations have been open since **September 1** for all members. Please note that players, coaches, officials and volunteers need to be registered to be covered by insurance. This includes pre-season training and is required for new players and existing players regardless of if they have played Winter.

**Fixtures**

There has continued to be a large amount of movement in our fixtures. Regional NW, Regional East, and Masters South have been redrawn.

All fixtures are available online.

Baseball Victoria will no longer be accepting additional teams to the fixtures. We have passed these fixtures on to the Umpire Working Group today, so that they can begin to assign umpires.

**Score Entry**

Teams will be able to enter scores and match sheets with the same process that was used last season. This is done through GameDay with the home team submitting both the Match Sheet and the Online score. For Premier 1 Firsts, Premier 2 Firsts and Women's Premier Firsts, a Stat sheet will also need to be submitted. This year, clubs will also have the opportunity to utilise an editable PDF for Stats Sheets and Match Sheets.

Instructions for score entry as well as PDFs and Word documents of the forms required can be found [here](#).

**Clearances/Permits**

A reminder to all clubs that the Summer League will not accept clearance or permit forms between October 1 and the end of the play-offs unless the form has commenced its process prior to October 1. Clearances and permits past this date must have extenuating circumstances for the Pennant Committee to consider and must be submitted with a \$50 admin fee.

As always, if you have any questions, please reach out to the office.

Kind Regards,

Chet Gray
