If there is none or one out it is optional to use a substitute runner for the pitcher or catcher when they reach base. If there is two out then it is mandatory that the pitcher and catcher be replaced with a substitute runner when they reach base. If after reaching base the pitcher or catcher is not to continue in the role as the pitcher or catcher then the substitution is to be advised to the umpire and that a substitute runner is not required

This rule may be invoked for offences committed of a minor nature including, but not limited to:

- Misconduct

If, in the opinion of the Umpire, an offence has occurred as provided for in this Playing Condition, the Umpire must show a Yellow Card to the offender and both the offender, and the team manager must be informed of the nature of the offence.

A person who receives two Yellow Cards in the same game shall be ejected from the game after the second offence but will not be required to attend a Tribunal hearing.

At the conclusion of the game, the Umpire is to record and note the details of the offence that led to the issue of the Yellow Card on the match sheet. Place YC next to the player's name.

The Competition Coordinator shall maintain a register of Yellow Card offences.

The first and second Yellow Card offences during a competition season shall incur no Rule penalty. If two (2) yellow cards are issued to the same person on the same day, refer Rule 27c.

Any player that incurs a third Yellow Card, and any subsequent Yellow Card, during a Rule season, shall be suspended from participating in the next scheduled game of the competition in which the last Yellow Card was received, as well as all games in other grades and divisions prior to the next scheduled game.

A person suspended under this Playing Condition will be notified by the Competition Rule Coordinator via their club.

Such appeals are to be lodged in writing, stating the reasons for the appeal and be in the hands of the Competition Coordinator within forty-eight hours of the game in which the Yellow Card was issued and shall be accompanied by a twenty (\$20.00) dollar fee.

If the Tribunal Chairman deems that the appeal is not frivolous, the Tribunal Chairman Rule shall instruct Competition Coordinator to refund the fee. Mere denial of the offence does not constitute grounds for an appeal and will result in the loss of the fee.

Upon receiving a properly made appeal, the Tribunal Chairman shall decide if the Rule matter should be referred to the Tribunal for resolution, such decision being final.

The Tribunal shall hear an appeal referred under this Playing Condition by convening a Rule hearing with the offender and the Umpire. The Tribunal may determine to:

- Uphold the appeal, cancel the Yellow Card and advise the Umpire
- Dismiss the appeal and confirm the Yellow Card

- Consider the offence warranted an ejection and impose a penalty

As such, any player, coach or person that leaves the bench or their designated area to engage in a melee will be penalized as per the reported persons procedures and VSBL Sanctions.

If a player is penalised and believes they are innocent, may appeal their case on an individual basis to the Tribunal Committee. If a team participates in more than one (1) melee in the same season, the above penalties will apply for each incident, in addition to losing 0.07% of their win percentage at the conclusion of the season for each additional melee participated in.

11.4 Zero Tolerance

The Summer League will enforce the concept of 'zero tolerance' in order to ensure that Coaches and Managers take a proactive role in eliminating Umpire abuse.

If, in the Umpire's opinion, a player:

- Abuses an umpire

 - Ensure all required fields are filled accurately, and submissions are made in compliance with the timeline specified in the rules.
- The **Transfer of Players and Coaches By-law 8** governs all clearance requests, ensuring uniformity and fairness across the competition.

12.1.2 Restrictions on Player Approaches

- During the period from **1st December** to the end of the **Play-offs**, **clubs** are prohibited from initiating discussions or approaching players regarding clearances.
 - This restriction protects teams' integrity as they compete in critical matches during the play-offs.
 - Breaching this rule may result in penalties for the club in question.

12.1.3 Restrictions of player movements

Any clearance **submitted after 15th of November** will result in the **player being ineligible to participate in any VSWBL play-off series** for that **current season**.

12.1.4 Clearance Process

The process for clearing a player is as follows:

1. **Notification:**
 - The clearance notification is lodged via the membership registration system.
2. **Response Time:**
 - The player's current club has **14 days** to accept or reject the clearance request.
3. **Immediate Clearance:**
 - If the player's current club has **no objections**, the clearance may be granted immediately.
4. **Participation Rules:**
 - The player can only participate in the Summer League with the destination club **after** the clearance has been:
 - Approved by the **current club**.
 - Processed by **Baseball Victoria**.

- The appeal must be submitted to the **VSBLPC (Victorian Summer Baseball League Pennant Committee)** using the official **Appeal Application Form**.
- The form must include:
 - The **refused Clearance Notification**.
 - **Detailed reasons** for the appeal, which should address and challenge the grounds for refusal.
- Appeals are reviewed by the VSBLPC, which will decide on the matter.

 - **Fines** or penalties outlined in the regulations.

12.2 Determining ladder and play-off positions

All VSWBL divisions' ladder and Play-off positions shall be ranked by WIN percentage, as follows:

The win percentage of each team is calculated using the equation specified below. Teams are ranked on the ladder in descending order.

$$\text{Win Percentage} = \frac{\left(\text{Total \# of Wins} + \left(\frac{\text{Total \# of Draws}}{2} \right) \right)}{\text{Total Games Played}}$$

Where two or more teams are equally ranked with the same WIN percentage

The Ladder and "Head to Head" method will be used to separate them. If this fails to separate the Play-Off teams, the following method will be used:

- Head to Head - Where one team has an advantage in the games won against the others with the same win %, that team will be ranked the highest team.
- The fewest runs allowed in the game(s) contested by these teams will gain the highest ranking, and then the remaining teams will revert to “Head to Head”. If remaining teams are tied then the tiebreaker reverts to the fewest runs allowed in the games contested by those teams method and then back “Head to Head” and so forth.
- If teams are still tied, go to the runs allowed by each of the tied teams against the highest ranked team in the competition, then the next highest team and so on.
- The team with the least runs allowed will be the higher ranking team, and then the remaining teams will revert to “Head to Head”. If remaining teams are still tied, then the tiebreaker reverts to the fewest runs allowed in the games contested by those teams method, then back to “Head to Head” and so forth.
- The ranking of the final two teams in the above situation will be determined by the “Head to Head” process.

12.3 Permit Procedures

Transfer of Players and Coaches
