1. GOVERNANCE

Purpose

This document outlines the Playing Conditions for the Victorian Summer Baseball (VSBL) League.

Application of Playing Conditions and Appeals

The application of the Playing Conditions shall be made in a fair manner to conduct the VSBL competition in the best interest of the game and in the spirit of the game.

These VSBL Playing Conditions are made as Regulations pursuant to Rule 34.1 of the Baseball Victoria (BV) Constitution Rules ("Rules").

At all times Playing Conditions contained in these documents take precedence over any contradiction with the Official Rules of Baseball. Whilst every effort to ensure the VSBL Playing Conditions are correct, due to the complexity of the Official Rules of Baseball there may be some omissions within these VSBL Playing Conditions which obviously, either for practical, commercial or the professional nature of Major League Baseball, do not apply. BV reserves the right to apply interpretations to these rules in situations where they require clarification. BV reserves the right to issue fines as per Schedule 1 of any listed Infringements.

A recommendation for amendment to the VSBL Playing Conditions must be supported when required by the majority of the VSBL Pennant Committee (VSBLPC), in accordance with BV By-Law 5.

The Head of Competitions and Events shall be the final arbiter to any complaint about fair competition and/or fair application of the Playing Conditions.

An appeal may be made to the VSBLPC about any final arbitration to a complaint as above in alignment with BV Appeals Process, ensuring all conditions, including timelines for an appeal, are met.

All BV registered players, coaches, officials and parents of registered players remain bound by the rules of BV, including these Playing Conditions, BV By-Laws, Policies, Procedures and Baseball Australia (BA) and BV Codes of Conduct.

 - c) The fewest runs allowed in the game(s) contested by these teams will gain the highest ranking, and then the remaining teams will revert to “Head-to-Head”. If remaining teams are tied, then the tiebreaker reverts to the fewest runs allowed in the games contested by those teams method and then back “Head-to-Head” and so forth.
 - d) If teams are still tied, go to the runs allowed by each of the tied teams against the highest ranked team in the competition, then the next highest team and so on.
 - e) The team with the least runs allowed will be the higher-ranking team, and then the remaining teams will revert to “Head-to-Head”. If remaining teams are still tied, then the tiebreaker reverts to the fewest runs allowed in the games contested by those teams method, then back to “Head-to-Head” and so forth.
